

## **Buy tickets on Indian Airlines using Kotak Mahindra Bank Net Banking**

(Mumbai, January 13)

Kotak Mahindra Bank is proud to announce the launch of its Payment Gateway tie up with Indian Airlines.

Indian Airlines, one of the largest airlines in the country, covers more than 75 destinations within and outside India. With its fully owned subsidiary Alliance Air, Indian Airlines has a fleet of more than 70 aircrafts. Indian Airlines has enabled e-Ticketing on its website [www.indian-airlines.in](http://www.indian-airlines.in) in addition to issuance of tickets across the counter.

Our tie up with Indian Airlines enables the customers of Kotak Mahindra Bank to pay for tickets booked on Indian Airlines website using Kotak Mahindra Bank Net Banking user ID and password. Kotak Mahindra Bank is the first private sector bank to launch this service on Indian Airlines website. The service is available free of cost to all customers registered for Kotak Bank Payment Gateway service.

Payment Gateway access not only enables purchase on Indian Airlines website but also enables a customer to transfer money to Kotak Securities account, make purchases on more than 3000 merchants websites, pay VISA credit card bills online, transfer money online to any VISA debit card within the country, pay utility bills, make donations and pay for subscriptions online across more than 60 billers,
