

Vice President, M Venkaiah Naidu interacting with progressive farmers at his residence in Hyderabad on Wednesday

Talks with farmers will resolve issue: Venkaiah

VP stresses upon need to make agriculture sustainable, profitable

EXPRESS NEWS SERVICE @Hyderabad

Vice President M Venkaiah Naidu said that any issue could be resolved through talks and added that the Central government had already declared that they were willing to hold a dialogue with the farmers' organisations. The VP interacted with progressive farmers on the occasion of Kisan Diwas at his residence here on Wednesday.

said that food security and progress of the nation were closely linked to agriculture, which had to be protected and made sustainable.

Income supplementation

Stating that the government had taken many initiatives with a view to doubling the income of farmers, he stressed the need to increase produc-

tivity and make agriculture climate-resilient.

Devarapalli Harikrishna, from Bhadradi Kothagudem, Byrapaka Raju from Nagarkurnool district, Sukhavasi Haribabu from Rangareddy district and a farmer couple, Lavanya and Ramana Reddy, from Nagarkurnool district too interacted with the Vice-President.

WHEN ORGANIC FARMING PAID OFF

The farmers, some of whom came along with their family members, told the Vice President that they were quite happy after switching over to organic farming as they were getting good profits. Progressive farmer, G Nagarathnam Naidu, from Chittoor, informed the VP that he was implementing integrated farming, bio-diversity and effective water management. He was cultivating a wide variety of crops by using less water

Petition filed for political reasons, publicity: TSPCB

FROM PAGE 1

THE State Environment Impact Assessment Authority had later amended the EC to allow an increased built-up area, the pollution board informed the NGT. The TSPCB had also issued the Consent for Establishment for the proposed project and later issued

an amended EC.

In its response, the pollution authority accused the petitioners of filing an application "on the basis of totally unsubstantiated allegations" for the sake of "political reasons and for publicity". It suggested that the application deserves to be dismissed in limine.

Regular VCs in TS varsities by Jan, assures Vinod

EXPRESS NEWS SERVICE @Hyderabad

ALL State universities will have regular Vice-Chancellors (VCs) by January, said B Vinod Kumar, Vice-Chairman of the State Planning Board, while speaking at a seminar on 'Higher Education Post-Covid Era' in the city on Wednesday.

In the year 2021, Chief Minister K Chandrasekhar Rao

would focus more intensely on the education system in the State, he said.

"In the last seven years, the government has focused on major problems such as power, water supply, social welfare, industry and road infrastructure - issues, which we know are already addressed. We also know that

the education system, particularly, higher education, has deteriorated in the last decade.

The government will now be focusing on it more, and the first step towards this is the appointment of regular VCs," Vinod Kumar said. "The Covid-19 lockdown had delayed several appointments. Search committees appointed by the TSICHE are now

shortlisting VCs online," added TSICHE Chairman Papi Reddy.

Besides, the government will soon recruit 1,061 professors at universities across the State. "It has been seen that most professors seek transfers to Osmania University. I suggest that we bring in an Act like the one in Bihar which prevents professors from moving from one university to another," Vinod Kumar told Papi Reddy.

55 stones in kidney taken out by docs

EXPRESS NEWS SERVICE @Hyderabad

IN a rare feat, doctors at the Aware Global Hospitals removed 55 stones from the left kidney of a 60-year-old woman using minimal invasive surgery.

According to doctors, the 60-year-old patient reported to the hospital with acute abdominal pain which was radiating to back, pain during urination, nausea and vomiting. "The patient was under extreme distress due to the severe pain caused by the stones. Thorough assessment indicated presence of small to medium-sized stones in the left kidney, prompting the team to opt for a minimally invasive surgical procedure to extract the stones," Dr P Naveen Kumar, senior consultant urologist said.

Kaleshwaram green norm violation: NGT puts onus on Centre

EXPRESS NEWS SERVICE @Hyderabad

THE ball is now in the Central Government's court regarding the violation of environmental norms in construction of the Kaleshwaram Lift Irrigation Scheme by the Telangana government. The National Green Tribunal (NGT) on Monday disposed off a petition that had sought issuance of direction to the Telangana government against the expansion of the project.

The petitioner, Thummanapally Srinivas, sought the NGT to issue direction to the State government for violating an order that the NGT had passed in October in another case dealing with the Kaleshwaram project. The NGT had then said it cannot accept the stand of Telangana government that the expansion of Kaleshwaram project by extraction of 3 TMC water per day instead of 2 TMC does not involve any infrastructural changes and therefore environmental clearance was not required. The NGT had also

pointed out that as per a letter from the Minister of Jal Shakti to the Telangana Chief Minister, the State government should not proceed with the project without obtaining necessary permissions from the Godavari River Management Board (GRMB), the Apex Council and CWC.

The NGT's order issued on Monday stated that the matter must be dealt with by the Ministry of Jal Shakti. The order read, "It is clear from the order already passed that the matter is to be dealt with by the Ministry of Jal Shakti and the State is to proceed in accordance with the decision of the said Ministry. No further order is called for except that the applicant may take up the matter with the concerned Ministry/government, as per law."

It is clear from the order already passed that the matter is to be dealt with by the Ministry of Jal Shakti and the State (Telangana) is to proceed in accordance with the decision of the said Ministry.

National Green Tribunal order

BIG BOOST

MoU with SAP India to aid MSMEs

EXPRESS NEWS SERVICE @Hyderabad

THE Telangana government signed an MoU with SAP India on Wednesday to digitise and empower MSMEs in the State by equipping them with digital skilling and technologies.

The programme will work towards promoting entrepreneurship for the MSMEs sector by providing them access to the global marketplace, digital skilling for the workforce and access to affordable enterprise technology.

"We are very happy to collaborate with a global technology player like SAP to bring their marketplace, skilling and ERP solutions to Telangana for the benefit of our local MSMEs. Industry-govt partnership is the way forward," said Principal Secretary Jayesh Ranjan. The partnership will help them with open access to SAP Ariba Discovery - a free B2B e-commerce solution - where any buyer can post sourcing needs and any of the four million suppliers on the Ariba Network can respond with their ability to deliver the goods.
