'Kaari' engaging rural drama

Director :Hemanth
Cast : Sasikumar, Parvathi Arun, JD Chakravarthy

'Kaari' a rural action drama discusses topics like pro-animal liberation, corporate greed, the ethics of meat consumption, and other matters that we rarely come across.

The story revolves around the life of a horse jockey in Chennai and how fate brings him to a small village in Ramanad district, which is about to witness the cruelty of money and power.

Kaari begins as a typical rural-actioner, discussing the rivalry between two villages near Ramanad, Kariyalur and Sivanenthal, and how organising a Jallikattu sport would help them resolve the issue. The winner is permitted

to take authority over the administration of Karuppan temple, which is common to both.

Parallely, Sethu (Sasikumar), a horse jockey, and his father (Aadukalam Narain) working in the horse stable. A severe situation results in the demise of his father, which brings the son to his ancestral native village in Ramanathapuram. Over there, he comes across a

Jallikattu Kaari bull that changes his course of life. In the meantime, we also get a glimpse of a corporate kingpin, SKR (JD Chakravarthy), who is into the meat business and the exploitation of animals.

Actor Sasikumar takes a cakewalk in the role, where he has already proved his success. His screen presence is charismatic and there's no doubt about it. Be his polite romance or the ferocious action avatar, he does complete justice. Parvathi is a new talent in Kollywood. Offer her a meaty role, and she will nail it down impeccably. Aadukalam Narain is at his best.

'Pattathu arasan' Rural sports drama

Director: A Sarkunam
Cast: Atharvaa, Rajkiran, Radhika Sarathkumar, Ashika Ranganath, Jayaprakash

The story of Pathathu Arasan begins with Chinnadurai (Atharvaa) educating a Kabbadi player about his grandfather Potheri (Rajkiran) and the laurels that he has brought to the hometown. We are also given a glimpse of his hay days and how powerful Potheri was as a Kabbadi player. Though Chinnadurai (grandson of Potheri's second wife) is not in good terms with his grandfather, Potheri and his immediate family members, he never let people disrespect the latter.

Meanwhile Chellaiya, one of the grandson's of Potheri, gets selected for

pro-Kabbadi league - a dream of sorts for many players in the town. One of his team members, plots plan to disrupt Chellaiya's peace and defame Potheri who is still a pride for many. The

guy succeeds and even villagers brand Chellaiya as a traitor. This forces Chellaiya to take up a drastic decision by ending his life.

Chinnadurai decides to find the real culprits behind his brother's death. He along with his grandfather Potheri also challenges the entire village to play Kabbadi against their family members to prove a point.

Atharvaa has given very earnest performance. Rajkiran is brilliant as Potheri and his performance in the second half is something to be remembered. Ashika has delivered a decent performance throughout. Ghبران's music is truly a saving grace for Pattathu Arasan.

'Agent Kannayiram' watchable investigative thriller

Direction : Manjo Beedha
Cast: Santhanam, Riya Suman, Pugazh, Munishkanth

The story begins with Kannayiram (Santhanam), an optimistic wannabe detective, who aspires to take up sensational cases to prove his merit. Despite strongly believing that he isn't receiving the

recognition he deserves, what keeps him going is his eye for detailing.

Santhanam plays agent Kannayiram; born out of wedlock, he has had a bad childhood. While his mother loves him, his father abandons them as he already has a family. Kannayira and his mother end up being servants to his father's family. When his mother fails to defend him fearing abandonment, he distances himself from her. When his mother

dies, he is unable to make it back to his native village in time. Unable to see his mother for one last time, Kannayiram is haunted by guilt and nightmares. That's when he is drawn to a mysterious case in the village as unidentified bodies land up besides the railway track. As Kannayiram solves the case, he also gets closure with his mother. In its essence, it sounds good, but the film is lost in translation from words to screen.

Santhanam has done extremely well in the lead role. The film also has a good show from Riya Suman, while the rest of the cast are just about par.

Kerala to market Onam celebrations globally

Kerala, Nov 26: Kerala Tourism will make all efforts to market Onam celebrations as a tourism product globally by formulating innovative campaigns, Tourism Minister P A Mohamed Riyas said on Thursday.

He was speaking after inaugurating a function held here for distribution of prizes of various contests relating to the cultural pageantry and global Onam 'pookalam' conducted by the Tourism Department as part of the week-long Onam

celebrations organised by the Kerala Government.

"A symbol of resilience, hope and equality, Onam has become a significant product that can attract domestic and foreign tourists. With the formation of tourism clubs in some foreign cities including London, the Tourism department has already initiated efforts to market the next year's Onam globally.

By prominently projecting the unique features of various destinations, we will be able to

ensure greater flow of tourists to the state from across the world during the Onam season," the Minister said.

Presiding over the function, Transport Minister Antony Raju lauded the efforts of the Tourism department and the public in making the Onam celebrations a state-wide success.

"The large public participation during this Onam was commendable and it made the celebrations outstanding", he said.

Kerala tourism sees 196% increase in arrivals

Tiruvandrum, Nov 26: Kerala made a record-setting 196 per cent surge in domestic tourist arrivals in the first three quarters of the current year as compared to the corresponding period a year ago, reflecting a spectacular comeback from the pandemic-triggered downturn, Tourism Minister P A Mohamed Riyas said on Friday.

Sending clear signals

that Kerala's crucial travel and hospitality sector is poised to surpass pre-pandemic levels, the state received a total of 1,33,80,000 domestic tourists in nine months till this September, notching a 1.49 per cent increase as compared to the same period before COVID-19 struck the world, the Minister told a press conference here.

What is more, this impressive performance shows a 196 per cent jump against the corresponding period last year, reflecting the success of the efforts made by the state including the marketing campaigns it mounted in India and abroad, Riyas said.

Also, the January-September period this year saw a 600 per cent stride in foreign tourist arrivals to Kerala, and the state is expected

to host more overseas travelers as the world is opening up overcoming the pandemic-induced restrictions.

Kerala's caravan tourism, Keravan Kerala, launched during the pandemic period, will be further developed as it has tremendous scope to attract foreign tourists. As part of this, plans are afoot to develop caravan parks in Bolgatty and Kumarakom, the Minister said.

Air India turns most punctual airline in India

Chennai, Nov 26: It hasn't even been a year since the Tata Group signed the papers to take over Air India. Yet, they've done something that hasn't been done in the last eight years. On their watch, Air India has now become the most punctual airline in the country. While the carrier still has many roadblocks to clear, its latest on-time performance data indicates that the new management is busy working behind the scenes to resolve its issues.

India's aviation regulator, the DGCA, has released its data for October. And while many things remain unchanged, one particular figure immediately leaps out - Air India's on-time performance (OTP). The airline registered an OTP of 90.8%, sending it straight to the top of the chart. This hasn't happened in eight years. Since 2014, Air India hasn't topped the OTP chart for even a single month and would regularly report disappointing figures for departures. In October 2019, its OTP was 54.3%.

that actually work are all being looked at. And while there's still some time before we can expect better aircraft interiors, it's good to see

the remarkable progress made in the punctuality department, all within a year of the new owners taking charge.

One of the first things the Tatas wanted to improve with Air India was its customer experience. Timely departures, good seats, and in-flight entertainment screens
