Surplus carried forward to the Balance Sheet	4,75,134.51	4,33,853.18

BUSINESS STRATEGY AND OBJECTIVES AND FUTURE GOALS:

In addition to the widespread public health implications, the COVID-19 pandemic has had an extraordinary impact on macroeconomic conditions in India and around the world. During the previous year, people and economies around the world, witnessed serious turbulence caused by the first wave of the pandemic, the consequent lockdowns and the emergence of new variants of the virus. Although government has started vaccination drive, COVID-19 cases have significantly increased in recent months due to second wave as compared to earlier levels in India. Various state governments have again announced strict measures including lockdowns to contain this spread. As COVID vaccines get administered to more and more people, businesses in sectors impacted by pandemic may pick up. However, the continuing and evolving nature of the virus has created uncertainty regarding estimated time required for businesses and lives to get back to normal.

The Company continues to closely monitor the situation and in response to this health crisis has implemented protocols and processes to execute its business continuity plans and help protect its employees and support its clients. The Company, however, has not experienced any significant disruptions in the past one year and has considered the impact on carrying value of assets based on the external or internal information available up to the date of approval of financial statements. The direct and indirect impact of COVID-19 on Company future business, results of operations, financial position and cash flows remains uncertain.

The disruption caused by Covid-19 is likely to have its impact on Auto Industry at least in the near future. In this challenging environment the company will focus on to capitalize on its distribution strength with OEMs, Dealers, Channel partners and customers. Company will also continue to focus on distribution of the various financial products that provides greater value addition to the customer. Further company will have enhanced focus on portfolio quality to meet the challenges caused by Covid-19.

Customer base, easy accessibility through its wide network of branches and a firm commitment to deliver superior customer service, has enabled the company to maintain its market position.

DIVIDEND

The Directors recommend Dividend on Equity Shares @ ₹40.00 per equity share (Previous Year: ₹0.60 per equity share).

DEBENTURES

Pursuant to various circulars issued by the Securities and Exchange Board of India (SEBI) and the Reserve Bank of India (RBI) from time to time, the Company continues to issue debentures on private placement basis and list all debentures issued, on the Bombay Stock Exchange Limited under Information Memorandums issued by the Company from time to time. The Company has appointed IDBI Trusteeship Services Limited as Debenture Trustees to the issues.

The Contact details of the Debenture Trustees are:

IDBI Trusteeship Services Limited

CAPITAL ADEQUACY

The Capital to Risk Assets Ratio (CRAR) of your Company as on 31st March 2021 was at 29.58% (Tier I – 28.35%).

CREDIT RATING

The Company's long-term borrowings rating continued to be "AAA" (with Stable Outlook) by CRISIL and ICRA. The Company's Tier II Subordinated Debts continued to be dual rated by CRISIL and ICRA, with a rating of "AAA" (with Stable Outlook).

The Company's short-term borrowing program rated by CRISIL and ICRA continued to enjoy the highest rating of "A1+".

The assessment of your Company's risk profile by the rating agencies strengthens the confidence placed by a large pool of investors in your Company.

AAA indicates highest degree of safety regarding timely servicing of financial obligations and carries a lowest credit risk.

FINANCE

Your Company continues to be a Non-Deposit Accepting NBFC - Investment and Credit Company (reclassified from Asset Finance Company (AFC) vide RBI circular dated February 22, 2019 on Harmonisation of NBFCs categories). It has a well diversified and large pool of lenders comprising of Public Sector Banks, Private and MNC Banks, Mutual Funds, Insurance Companies, Pension Funds, Financial Institutions, Foreign Institutional Investors (FI) and Corporates. Your Company continued to introduce new debt investors during the year. Further, prudent Asset Liability Management continues to be focus of your Company.

The RBI adjusted policy repo rate downwards, by 40 bps from 4.40% to 4.00%, during the financial year 2020-21. Further, the reverse repo rate was also reduced by cumulative 40 bps from 3.75% to 3.35% during the financial year. The RBI also continued with its open market operations to ensure ample liquidity and orderly market conditions.

During the financial year 2020-21, the National Statistical Office estimates contraction in real Gross Domestic Product (GDP) at 7.3% for the Indian economy. Prospects for financial year 2021-22 have improved with the progress of the vaccination programme, with the real GDP growth projected at 9.5% for the Indian economy. The global economic growth is gradually recovering from the slowdown, but it remains uneven across countries and is supported by ongoing vaccination drives, sustained accommodative monetary policies and further sizeable fiscal stimulus.

Despite continued challenges faced during the financial year, your Company continued to get regular access to funding from various sources and has continued to maintain adequate liquidity profile.

Your Company with its strong treasury and risk management philosophies and practices is well geared to meet the challenges of dynamic interest rate and liquidity environment.

MANAGEMENT DISCUSSION AND ANALYSIS

Company Business

Your Company is primarily into vehicle finance, engaged in financing of retail customers of passenger cars, multi-utility vehicles, two wheelers and inventory and term funding to dealers. Your Company finances new, used cars and two wheelers under retail loan, and lease contracts.

The main streams of income for your Company are income from retail car and two wheeler loans, dealer finance income and fee based income. Your Company also receives income from corporate loans, developer funding, loans against securities and personal loans. The major expenses for your Company are interest expense, business sourcing expense and cost of running operations.

During the Financial Year 2020-21, your Company's retail car disbursements were at ₹533,113 lakh as against ₹638,391 lakh in the previous year. During the year under review, gross advances stood at ₹ 20,92,661.37 lakh as against ₹ 25,39,472.03 lakh in the previous year.

Your Company continued to focus on cost control and credit losses, while improving its positioning in the car finance industry.

As detailed in the 'Financial Results' section above, Gross Income of your Company decreased from ₹3,20,152.23 lakh in 2019-20 to ₹2,59,202.70 lakh in 2020-21. Profit before Tax was at ₹69,990.73 lakh in 2020-21 as compared to ₹ 81,320.71 lakh in 2019-20.

Segment wise performance

The Company has identified segments as Vehicle Financing, Other Lending activities and Treasury and Investments.

Vehicle Finance includes Retail and Wholesale trade finance and the segment result is Profit before tax of ₹16,742.34 lakh. Other Lending activities include financing against securities, securitization, debenture investment / lending in commercial real estate and other loan / fee based services and the segment result is Profit before tax of ₹25,385.69 lakh. Treasury and Investment activities include proprietary trading in shares and the segment result is Profit before tax of ₹27,862.70 lakh.

Industry Scenario

The passenger car market in India saw a degrowth of 2% for the Financial Year 2020-21. Total unit sales of cars and MUV's crossed 27.18 lakh units in financial year 2020-21.

The two wheeler market in India saw a degrowth of 13% for the Financial Year 2020-21 as compared to degrowth of 18% for 2019-20. Total unit sales of two wheeler crossed 151.19 lakh units in financial year 2020-21.

Prospects

The disruption caused by Covid-19 is likely to have its impact on Auto Industry at least in the near future. In this challenging environment the company will focus on to capitalize on its distribution strength with OEMs, Dealers, Channel partners and customers. Company will also continue to focus on geographical expansion and also on distribution of various products that provides greater value addition to the customer. Further company will have enhanced focus on portfolio quality to meet the challenges caused by Covid-19.

Customer knowledge, easy accessibility through its wide network of branches and a firm commitment to deliver superior customer service are key drivers for your Company's performance.

Internal Controls

The Internal Audit department of Kotak Mahindra Bank Limited regularly conducts a review to assess the financial and operating controls at various locations of your Company including Head Office functions and at branches. Reports of the audits conducted by the Internal Audit department are presented to the Audit Committee. Representatives of the statutory auditors are permanent invitees to the Audit Committee.

Human Resources

The Company is professionally managed with key management personnel having relatively long tenure with the Company. Your Company follows a policy of building strong teams of talented professionals. Your Company encourages and facilitates long term careers with your Company through carefully designated management development programs and performance management systems. The total number of on roll employees was 4,197 at end of 31st March, 2021.

Information Technology

Your Company uses "ORACLE" as its Financial system and the operating system 'CORE' which is owned and managed by Kotak Mahindra Bank Limited and is used for its retail assets division since 2003. The CORE system has the latest technology platform and also has capacity to scale based on business requirements. The modular nature of the system supports efficiency in operations coupled with strong systems and operational controls. The system is robust to cater to efficient customer service and support marketing initiatives at reasonable cost. The Company continues to explore and test new system to improve efficiency for back office and database support

Cautionary Note

Certain statements in the 'Management Discussion and Analysis' section may be forward-looking and are stated as may be required by applicable laws and regulations. Many factors may affect the actual results, which could be different from what the Directors envisage in terms of future performance and outlook. Your Company does not undertake to update these statements.

DIRECTORS' & KEY MANAGERIAL PERSONNEL

Change in Directors during the year

Appointment of Directors

Mr. Devarajan Kannan (DIN: 00498935) was appointed as an Additional Director of the Company with effect from 12th November 2020, subject to the approval of the members at the General meeting. The Nomination & Remuneration Committee at its meeting held on 28th April 2021 has recommended the appointment of Mr. D. Kannan as a Director to the shareholders of the Company at the ensuing Annual General Meeting. Accordingly, the approval of the Members is being sought at the ensuing Annual General Meeting.

Mr. Devarajan Kannan, is currently the Group President – Commercial Banking of Kotak Mahindra Bank Limited. He is a Chartered Accountant and Cost Accountant by qualification and a rank holder at graduation level, became Group Head - Commercial Banking of Kotak Mahindra Bank Limited in August 2014. Prior to this, was the Managing Director of Kotak Securities Limited from April 2010. Began career as a business accountant in a leading computer manufacturing company prior to joining the erstwhile Kotak Mahindra Finance Limited, now known as Kotak Mahindra Bank Limited, in 1991. Since then moved on to being part of Ford Credit Kotak Mahindra Limited prior to joining Kotak Securities Limited in April 2000. He was responsible for setting up and building kotaksecurities.com, the online trading and stock market advisory platform for Kotak Securities Limited.

Mr. Ravi Venkatraman (DIN: 00307328) was appointed as an Additional Director (Independent) of the Company with effect from 4th August 2021, subject to the approval of the members at the General meeting. The Nomination & Remuneration of the Company at its meeting held on 4th August 2021 has recommended the appointment of Mr. Ravi Venkatraman as an Independent Director of the Company to the shareholders of the Company at the ensuing Annual General Meeting for a period of 5 years up to 3rd August 2026. Accordingly, the approval of the Members is being sought at the ensuing Annual General Meeting.

Mr. Ravi Venkatraman, aged 62 years, is a Chartered Accountant and Cost Accountant by qualification. He has about 40 years of varied experience as a senior finance professional, covering many facets of BFSI sector.

Resignation of Directors

Mr. Narayan S.A. (DIN: 00007404) resigned as a Director of the Company with effect from 1st December 2020. Your Directors place on record their appreciation for the valuable advice and guidance rendered by Mr. Narayan S.A. during his tenure as a Director of the Company.

Prof. S. Mahendra Dev (DIN: 06519869) has resigned as an Independent Director of the Company effective end of working hours on June 2, 2021. In accordance with the provisions of the Banking Regulation Act, 1949, he stepped down as an Independent Director of Kotak Mahindra Bank Limited ("KMBL") on March 14, 2021, on the completion of the maximum permissible tenure of eight years. He continued as an Independent Director in Kotak Mahindra Prime Limited ("Kotak Prime"), an NBFC and a subsidiary of KMBL.

Prof. Dev had recently been approached by another private sector bank to join their board as an Independent Director. Since the proposed appointment would result in a conflict of interest, he has resigned as an Independent Director from the Board of Kotak Prime, effective end of working hours on June 2, 2021. He has also confirmed in his resignation letter that there is no other reason other than what is stated herein. Due to the resignation as an Independent Director, Prof Dev's membership had ended as a member in the Audit Committee, Nomination and Remuneration Committee and Corporate Social Responsibility Committee.

Directors retiring by rotation during the year

Mr. Arvind Kathpalia (DIN: 02630873), Director, retires by rotation at the Twenty Fifth Annual General Meeting and being eligible, has offered himself for re-appointment.

Re-appointment of Managing Director

The Board of Directors, based on the recommendation of the Nomination & Remuneration Committee and the results of the performance evaluation, re-appointed Mr. Vyomesh Kapasi (DIN: 07665329) as the Managing Director of the Company for a period of two years with effect from 9th December, 2020 until 8th December 2022, subject to the approval from the shareholders at the general meeting. Accordingly, the members of the Company at the Annual General meeting of the Company held on 11th August 2020 approved the re-appointment of Mr. Vyomesh Kapasi as the Managing Director.

Declaration from Independent Directors

The Board has received declarations from the Independent Directors as per the requirement of Section 149(7) of the Companies Act, 2013 and the Board is satisfied that the Independent Directors meet the criteria of independence as mentioned in Section 149(6) of the Companies Act, 2013.

Board Evaluation

The Nomination and Remuneration Committee of the Company's Board has formulated the criteria for performance evaluation of the Directors and the Board as a whole. The Criteria formulated broadly covers the Board role, Board/Committee membership, practice & procedure and collaboration & style.

In line with the SEBI Guidance note on Board Evaluation, a Board effectiveness assessment questionnaire was designed for the performance evaluation of the Board, its Committees, Chairman and individual directors and in accordance with the criteria set and covering various aspects of performance including structure of the board, meetings of the board, functions of the board, role and responsibilities of the board, governance and compliance, evaluation of risks, grievance redressal for investors, conflict of interest, relationship among directors, director competency, board procedures, processes, functioning and effectiveness. The said questionnaire was circulated to all the directors of the Company for the annual performance evaluation.

Based on the assessment of the responses received to the questionnaire from the directors on the annual evaluation of the Board, its Committees, Chairman and the individual Directors, a summary of the Board Evaluation was placed before the Independent Directors for consideration. Similarly, the Board at its meeting assessed the performance of the Independent Directors. The Directors were satisfied with the results of the performance evaluation of the Board & its Committees, Chairman and individual directors.

Key Managerial Personnel (KMPs)

In terms of the provisions of Section 203 of the Companies Act, 2013, Mr. Vyomesh Kapasi, Managing Director, Mr. Bharat C Thakkar, Chief Financial Officer and Mr. Kiran Tangudu, Company Secretary, are the Key Managerial Personnel of the Company.

Appointment & Remuneration of Directors and KMPs

The Nomination and Remuneration Committee of the Board of Directors of the Company has formulated criteria for appointment of Senior Management personnel and the Directors. Based on the criteria set it recommends to the Board the appointment of Directors and Senior Management personnel. The Committee considers the qualifications, experience fit & proper status, positive attributes as per the suitability of the role and independent status and various regulatory/statutory requirements as may be required of the candidate before such appointment.

The Board has adopted a Remuneration Policy for the Whole-time Directors, Chief Executive Officer and other employees of the Company. The Policy is in line with the Compensation Policy of Kotak Mahindra Bank Ltd., its holding company (the compensation policy is available on the Company's website hosted in <https://www.primeloans.kotak.com/policies.htm>), which is based on the Guidelines issued by Reserve Bank of India. The salient features of the Remuneration Policy are as follows:

- Objective is to maintain fair, consistent and equitable compensation practices in alignment with Kotak's core values and strategic business goals.
- Applicable to all employees of the Company. Employees classified into 3 groups:
 - o Whole-time Directors/Chief Executive Officer
 - o Risk, Operations & Support Staff
 - o Other categories of Staff
- Compensation structure broadly divided into Fixed, Variable and ESOPs
 - o Fixed Pay – Total cost to the Company i.e. Salary, Retirals and Other Benefits.
 - o Variable Pay – Linked to assessment of performance and potential based on Balanced Key Result Areas (KRAs), Standards of Performance and achievement of targets with overall linkage to Bank budgets and business objectives. The main form of incentive compensation includes – Cash, Deferred Cash/Incentive Plan and Stock Appreciation Rights.
 - o ESOPs of Kotak Mahindra Bank Limited – Granted on a discretionary basis to employee based on their performance and potential with the objective of retaining the employee.
- **Compensation Composition** – The ratio of Variable Pay to Fixed Pay and the ratio of Cash v/s Non Cash within Variable pay outlined for each category of employee classification.
- Any variation in the Policy to be with approval of the Nomination & Remuneration Committee.
- Malus and Clawback clauses applicable on Deferred Variable Pay.

Based on the recommendation of the Nomination & Remuneration Committee, the Board of Directors have adopted a compensation policy for the Independent Directors (IDs) of the Company. The salient features of the Compensation Policy are as follows:

- Compensation structure broadly divided into:
 - o Sitting fees
 - o Re-imbursement of expenses
 - o Commission (profit based)
- Amount of sitting fees and commission to be decided by the Board from time to time, subject to the regulatory limits.
- IDs not eligible for any stock options of Kotak Mahindra Bank Ltd., the Company's holding company

Remuneration to the KMPs i.e. Managing Director, Chief Financial Officer and the Company Secretary, is as per the terms of their employment

Number of Board Meetings

During the year, 12 meetings of the Board of Directors were held.

Disclosures pursuant to Rule 5 of Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

1. Ratio of the remuneration of each director to the median remuneration of the employees for the financial year:

Name	Title	Ratio	Ratio excluding SARs
Mr. Vyomesh Kapasi	Managing Director	79.00x	71.09x

2. Percentage increase in remuneration of each director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any, in the financial year:

Director/KMP	Title	% increase / (decrease) in remuneration	% increase / (decrease) in remuneration excluding SARs
Mr. Vyomesh Kapasi	Managing Director	(10.78%)	(9.15%)
Mr. Bharat Thakkar	CFO	(10.15%)	(10.09%)
Mr. Kiran Tangudu	CS	(7.57%)	(7.57%)

3. Percentage increase / (decrease) in the median remuneration of employees in the financial year:

(11.9%) considering employees who were in employment for the whole of FY 2019-20 and FY 2020-21.

4. Number of permanent employees on the rolls of Company at the end of the year: 4,197

AUDITORS

In terms of Section 139 of the Companies Act, 2013, the Company's Auditors, Price Waterhouse Chartered Accountant LLP (Firm Registration no. 012754N/ N500016) were appointed as statutory auditors of the Company for a period of 5 years at the 21st AGM of the Company held on 12th June 2017 to hold office from the conclusion of the Twenty First AGM until the conclusion of the Twenty Sixth AGM of the Company.

M/s Price Waterhouse Chartered Accountants LLP is ineligible to continue as an Auditor as per the RBI Circular dated April 27, 2021 (Ref.No.DoS.CO.ARG/SEC.01/08.91.001/2021-22). One such condition of the said circular is that an audit firm, subject to its fulfilling the prescribed eligibility norms, will be allowed to continue as the statutory auditor for a particular NBFC for a period of three years and thereafter the said firm would not be eligible for reappointment in the same entity for a period of at least six years (two tenures). Accordingly the Company has received the resignation as an Auditor from M/s Price Waterhouse Chartered Accountants LLP, they have been the statutory auditors of the Company for the last four financial years i.e. from Financial Year ended March 31, 2018 to March 31, 2021.

Further, in terms of the circular dated April 27, 2021 issued by the Reserve Bank of India (RBI) relating to guidelines for appointment of statutory auditors of Non-Banking Finance Companies ('NBFCs') and also in terms of Section 139 of the Companies Act, 2013, Messrs. M M Nissim & Co LLP, Chartered Accountants (Firm Registration no.FRN107122W/W100672) and Mukund M. Chitale & Co, Chartered Accountants (Firm Registration no. FRN106655W), are proposed to be appointed as Joint Statutory Auditors for a period of 3 years commencing from the conclusion of the Twenty Fifth Annual General Meeting until the conclusion of the Twenty Eighth Annual General Meeting, in place of Messrs. Price Waterhouse Chartered Accountant LLP, Chartered Accountants.

M M Nissim & Co LLP have consented to the said appointment and confirmed that their appointment, if made, would be within limits specified under Section 141(3)(g) of the Act. They have further confirmed that they are not disqualified to be appointed as Joint statutory Auditors in terms of the provisions of the proviso to Section 139(1), Section 141(2) and Section 141(3) of the Act and the provisions of the Companies (Audit and Auditors) Rules, 2014, and also confirmed with regard to the prescribed eligibility norms in terms of Reserve Bank of India's circular No. DoS.CO.ARG/SEC.01/08.91.001/2021-22 dated 27th April, 2021.

Mukund M. Chitale & Co have consented to the said appointment and confirmed that their appointment, if made, would be within limits specified under Section 141(3)(g) of the Act. They have further confirmed that they are not disqualified to be appointed as Joint statutory auditors in terms of the provisions of the proviso to Section 139(1), Section 141(2) and Section 141(3) of the Act and the provisions of the Companies (Audit and Auditors) Rules, 2014, and also confirmed with regard to the prescribed eligibility norms in terms of Reserve Bank of India's circular No. DoS.CO.ARG/SEC.01/08.91.001/2021-22 dated 27th April, 2021.

The Audit Committee and the Board of Directors recommend the appointment of M M Nissim & Co LLP and Mukund M. Chitale & Co, as Joint statutory auditors of the Company from the conclusion of the Twenty Fifth Annual General Meeting until the conclusion of the Twenty Eighth Annual General Meeting, to the shareholders. You are requested to appoint them and fix their remuneration.

INTERNAL FINANCIAL CONTROLS

The Board of Directors confirms that your Company has laid down set of standards, processes and structure which enables to implement Internal Financial controls across the organization with reference to Financial Statements and that such controls are adequate and are operating effectively. During the year under review, no material or serious observation has been observed for inefficiency or inadequacy of such controls.

COST RECORDS AND COST AUDIT

Maintenance of cost records and requirement of cost audit as prescribed under the provisions of sub-section (1) of section 148 of the Companies Act, 2013, are not applicable for the business activities carried out by the Company.

RELATED PARTY TRANSACTIONS

All Related Party Transactions that were entered into during the financial year were on arm's length basis and were in the ordinary course of business.

Pursuant to Section 134(3)(h) read with Rule 8(2) of the Companies (Accounts) Rules, 2014, there are no transactions to be reported under Section 188(1) of the Companies Act, 2013, in form AOC-2.

All Related Party Transactions are placed before the Audit Committee for its review and approval on a quarterly basis. An omnibus approval of the Audit Committee is obtained for the Related Party Transactions which are repetitive in nature.

All Related Party Transactions as required under Indian Accounting Standard Ind AS 24 are reported in Notes to Accounts under Note no.39 of the financial statements of your Company.

The Company's Policy on dealing with Related Party Transactions is available on the Company's website www.primeloans.kotak.com.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

Pursuant to Section 186 of the Companies Act, 2013 read with Rule 11 of Companies (Meetings of Board and its Powers) Rules, 2014, the Company being a Non-Banking Financial Company registered with Reserve Bank of India, nothing contained in section 186 is applicable, except subsection(1) of that section.

WHISTLE BLOWER POLICY & VIGIL MECHANISM

Your Company has also put in place the Whistle Blower Policy to raise concerns internally and to disclose information, which the individual believes shows malpractice, serious irregularities, fraud, unethical business conduct, abuse or wrong doing or violation of any Indian law.

The Whistle Blower Policy is also put up on the Company's website www.primeloans.kotak.com

CORPORATE SOCIAL RESPONSIBILITY

Kotak Mahindra Prime Limited (KMPL) further referred to as your Company, has constituted a Board Corporate Social Responsibility Committee (CSR Committee), was re-constituted during the year and presently consists of the following Directors:

- Ms. Akila Urankar, Independent Director, Chairperson
- Mr. D. Kannan, Non-Executive Director
- Mr. Vyomesh Kapasi, Managing Director

Your Company recognises the immense opportunity it has to bring about a positive change in the lives of the communities through its business operations and corporate social responsibility (CSR) initiatives.

The Board approved CSR policy sets out your Company's vision, mission, governance, and CSR focus areas to fulfill its inclusive agenda across many geographies of India. Your company aspires to be a trusted partner and contributes significantly towards the economic, environmental and social growth of the nation and is also committed to contribute towards United Nation's (UN) Sustainable Development Goals (SDGs).

It is the constant endeavour of your Company to enhance its CSR footprint by adopting a purpose driven CSR approach, focusing on sustainable and scalable programmes, spreading in focused geographies and aligning to SDGs and the national narrative.

Your Company's CSR Committee is responsible for reviewing and recommending to the Board on the Company's various CSR initiatives including the progress of the Company's CSR Projects. Further, your Company's CSR Committee made recommendations to the Board to review and approve the CSR - Policy, Design, Path, Projects, Project Expenditure, and related matters. Thereafter, with Board's approval, the CSR Projects have been implemented by the Company.

The Company's CSR policy is available on the Company's website viz. <https://www.primeloans.kotak.com/policies.htm>.

Your Company's CSR Projects and CSR Project Expenditure for FY 2020-21 are compliant with the CSR mandate as specified under section 134, section 135 of the Companies Act, 2013 (Amendment 2019) and (Amendment 2020), schedule VII of the Companies Act, 2013, Companies (CSR Policy) Amendment Rules, 2021, FAQs 2014, and Government of India's circulars and notifications issued from time-to-time.

The average net profit under section 198 of the Companies act for the last three financial years preceding 31st March, 2021 is ₹85,680 lakh.

The prescribed CSR expenditure required under section 135, of the Act for FY 2020-21 is ₹ 1,713.60 lakh.

	Amount ₹ in lakh
Amount spent on ongoing projects	552.48
Amount spent on other than ongoing projects	642.00
Transfer to Unspent CSR account	519.32
Total	1,713.80

The CSR expenditure incurred for the period 1st April 2020 to 31st March 2021 under Section 135 of Companies Act, 2013 amounts to ₹1713.80 lakh as against ₹941 lakh CSR spend in the FY 2019-20.

It's the constant endeavour of the Company to enhance its CSR capabilities by adopting a purpose driven CSR approach, focusing on sustainable and scalable programmes, spreading in focused geographies and aligning to SDGs and the national narrative.

The implementation of the CSR projects and programmes is done directly and /or through implementing partner organisations, having a proven track record to implement cost and process efficient CSR projects and/or programmes that are scalable, sustainable, outcome driven and are committed to make a positive societal impact. Also, the implementation is done through employee volunteering. The Company's CSR footprint has been consistently increasing over the years. The Company is committed to stepping-up its CSR programmes and expenditure in the years ahead. Foremost reason for underutilisation of the Company's CSR expenditure is the NGOs' inability to utilise large CSR expenditure allocated under the Company's CSR Programmes.

Your Company does not consider "administrative overheads" as a part of its CSR expenditure.

The CSR Committee of the Board confirms that the implementation and monitoring of CSR Policy, is in compliance with CSR objectives and Policy of the Company.

The details of CSR Programmes and Expenditure under Section 135 of the Companies Act, 2013 for FY 2020-21, are annexed to this Report.

RISK MANAGEMENT POLICY

Your Company manages risk, based on Risk Management framework, governance structure and policies which lays down guidelines in identifying, assessing and managing risks.

Further, to facilitate better enterprise wide risk management, a Risk management committee (RMC) has been constituted. The RMC meetings are conducted on quarterly basis and is responsible for review of risk management practices covering credit risk, operations risk, liquidity risk, market risk and other risks including capital adequacy with a view to align the same to the risk strategy & risk appetite of the company.

Your Company has qualified Credit officer's at all major locations who appraise and approve retail car finance proposals that are generated at branches and representative offices. Credit officers have pre-approved approval authorities for each location, beyond which the proposal is forwarded to higher authority and to senior management for necessary approval. With a view to provide superior customer decision experience to preferred set of customer profiles, certain pre-approved credit approval programs are also implemented by specialized central credit teams.

Your Company uses various tools like field investigations, credit score card, CIBIL score, asset tenure matrix to ensure high quality portfolio. All Retail proposals are scanned by Risk Containment Unit to verify the authenticity of the documents and customers.

Your Company's Dealer finance & Other business division's credit management are centralized and follow robust risk management policies for their evaluation. These credit proposals are approved at Senior levels as per Board approved authorities including credit committees, due to the nature and complexities of facilities offered. The Company follows stringent monitoring mechanism for the disbursed facilities which results in early detection of potential stress accounts and thus ensuring early action for resolution of such accounts.

Your Company manages and controls credit risk by setting limits and monitors the concentration of risk and also monitors the market value of the collaterals available on regular basis.

Your Company maintains stringent policies and procedures to ensure controls over various functions of Head office & Branches. There are periodic independent reviews and monitoring of operating controls as defined in the company's operating manual.

SECRETARIAL AUDITOR

Pursuant to Section 204 of the Companies Act, 2013, your Company has appointed M/s. Parikh & Associates, Company Secretaries, a firm of Practising Company Secretaries, as its Secretarial Auditor. The Secretarial Audit Report for the financial year ended 31st March 2021 is annexed to this Report.

SECRETARIAL STANDARDS

Your Company is in compliance with the applicable Secretarial Standards issued by the Institute of Company Secretaries of India and approved by the Central Government under Section 118(10) of the Companies Act, 2013 for the FY 2020-21.

Url: <https://www.primeloans.kotak.com/policies.htm>.

EMPLOYEES

The employee strength of your Company was 4,197 as of 31st March 2021.

Five employees employed throughout the year and Nil employees employed for part of the year were in receipt of remuneration of ₹102 lakh or more per annum.

As required by the Sexual Harrassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013, the Company has formulated a Policy on Sexual Harrassment of Women at Workplace (Prevention, Prohibition & Redressal). Following is a summary of sexual harassment complaints received and disposed off during the year 2020-21:

- No. of complaints received: Nil
- No. of complaints disposed off: Nil

Your Company has complied with provisions relating to the constitution of Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

In accordance with the provisions of Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the names and other particulars of employees are set out in the annexure to the Directors' Report. In terms of the Proviso to Section 136(1) of the Companies Act, 2013, the Directors' Report is being sent excluding the aforesaid annexure. The annexure is available for inspection at the Registered Office of your Company during the business hours on working days.

DEPOSITS

The Company did not accept any deposits from the public during the year. Also, there are no deposits due and outstanding as on 31st March 2021.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTGO

The provisions pertaining to the Conservation of Energy and Technology Absorption are not applicable to your Company.

During the year, the Company had foreign exchange inflow of ₹ Nil (Previous Year: ₹ Nil) while the outgo of foreign exchange was ₹74.82 lakh (Previous Year: ₹44.50 lakh).

DIRECTORS' RESPONSIBILITY STATEMENT

The Directors, based on the representations received from the management, confirm in pursuance of Section 134(5) of the Companies Act, 2013 that:

- i) the Company has, in the preparation of the annual accounts, followed the applicable accounting standards along with proper explanations relating to material departures, if any;
- ii) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31st March 2021 and of the profit of the Company for the financial year ended 31st March 2021;
- iii) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- iv) the Directors have prepared the annual accounts on a going concern basis;
- v) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and were operating effectively;
- vi) The Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

ANNEXURES

Following statements/documents/reports are set out as Annexures to the Directors' Report:

- I. Secretarial Audit Report pursuant to Section 204 of the Companies Act, 2013 (Annexure – I)
- II. Annual Report on CSR Activities for the Financial year 2020-21 (Annexure - II)

ACKNOWLEDGEMENTS

Your Directors would like to place on record their gratitude for the valuable guidance and support received from the Government and Regulatory agencies. The Directors thank the shareholders, dealers and their staff for the strong support that they have continued to extend to your Company. The Board also takes this opportunity to place on record its appreciation of the outstanding performance and dedication of your Company's employees at all levels, without whose commitment, the achievement of results as indicated above could not have been possible. The Board also acknowledges the faith reposed in the Company by the Company's lending institutions.

For and on behalf of the Board of Directors

Uday Kotak
Chairman

FORM NO. MR-3

Secretarial Audit Report

For the financial year ended 31st March, 2021

(Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,

The Members,

Kotak Mahindra Prime Limited

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Kotak Mahindra Prime Limited (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company, the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, the explanations and clarifications given to us and the representations made by the Management and considering the relaxations granted by The Ministry of Corporate Affairs and The Securities and Exchange Board of India warranted due to the spread of the COVID-19 pandemic, we hereby report that in our opinion, the Company has during the audit period covering the financial year ended on 31st March, 2021, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records made available to us and maintained by the Company for the financial year ended on 31st March, 2021 according to the applicable provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 and amendments from time to time; (Not applicable to the Company during the audit period)
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (Not applicable to the Company during the audit period)
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (Not applicable to the Company during the audit period)
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not applicable to the Company during the audit period) and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; (Not applicable to the Company during the audit period)
- (vi) Other laws applicable specifically to the Company namely:-
 - a. Reserve Bank of India Act, 1934 and its circulars, Master Circulars, notifications and its Directions as prescribed for NBFCs;
 - b. Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016;
 - c. Prevention of Money Laundering Act, 2002 and the rules made thereunder;
 - d. IRDAI (Registration of Corporate Agents) Regulations, 2015

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board and general meetings.
- (ii) The Listing Agreements entered into by the Company with BSE Limited read with the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance for meetings other than those held at shorter notice, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Decisions at the Board Meetings were taken unanimously.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines etc.

We further report that during the audit period the following events occurred which had bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards etc:

- I. During the financial year ended 31st March, 2021, the company issued and allotted 4,650 (Four Thousand Six Hundred and fifty only) Secured Redeemable Non-Convertible Zero Coupon Bonds of ₹ 10 lakhs (Rupees Ten lakh only) each in various tranches on private placement which were duly listed on BSE Limited.
- II. During the financial year ended 31st March, 2021, the company issued and allotted 1,000 (One Thousand only) Secured Redeemable Non-Convertible Market Linked Debentures of ₹ 10 lakhs (Rupees Ten lakh only) each in various tranches on private placement which were duly listed on BSE Limited.
- III. During the financial year ended 31st March, 2021, the company issued and allotted 36,000 (Thirty Six Thousand only) Secured Redeemable Non-Convertible Debentures of ₹ 10 lakhs (Rupees Ten lakh only) each in various tranches on private placement which were duly listed on BSE Limited.
- IV. During the financial year ended 31st March, 2021, the company has redeemed various series of Debentures in the nature of Non-convertible debentures, Zero Coupon Bonds, Tier-II and Market Linked Debentures, aggregating to 54,881 (Fifty-Four Thousand Eighty Hundred Eighty-One only) during the year and has complied with the applicable laws.
- V. During the financial year ended 31st March, 2021, the company issued and allotted 3,20,200 (Three lakh Twenty Thousand Two hundred only) commercial papers of ₹ 5 lakhs (Rupees Five Lakh only) each in various tranches.
- VI. During the financial year ended 31st March, 2021, the company has redeemed 3,42,740 (Three lakh Forty-Two Thousand Seven hundred and Forty only) Commercial Paper in various tranches during the year and has complied with the applicable laws.

Annual Report on CSR Activities of the Company

for the financial year ended 31st March, 2021

1. Brief outline on CSR Policy of the Company:

Kotak Mahindra Prime Ltd. (Kotak Prime) recognises the immense opportunity it has to bring about a positive change in the lives of the communities through its business operations and corporate social responsibility (CSR) initiatives.

Kotak Prime aspires to be a trusted partner and contributes significantly towards the economic, environmental and social growth of the nation and is also committed to contribute towards United Nation's (UN) Sustainable Development Goals (SDGs). This policy sets out Kotak Prime's vision, mission, governance, and CSR focus areas to fulfill its inclusive growth agenda in India.

While ensuring that its CSR Policy, projects and programmes are compliant with the CSR mandate as specified under section 134, section 135 read with schedule VII of the Companies Act, 2013 along with the Companies (Corporate Social Responsibility Policy) Rules, 2014 as amended from time to time and in line with the Government of India's notifications issued from time-to-time, Kotak Prime also endeavours to align its CSR projects and programmes with government initiated social development programmes and interventions and last but not the least, United Nation's Sustainable Development Goals (SDGs).

Independent Auditor's Report

To the Members of Kotak Mahindra Prime Limited Report on the audit of the financial statements

OPINION

1. We have audited the accompanying financial statements of Kotak Mahindra Prime Limited ("the Company"), which comprise the balance sheet as at 31st March, 2021, and the statement of Profit and Loss (including Other Comprehensive Income), statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021, and total comprehensive income (comprising of profit and other comprehensive income), changes in equity and its cash flows for the year then ended.

BASIS FOR OPINION

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

EMPHASIS OF MATTER

4. We draw attention to Note 2(A)(ii) to the financial statements, which describes the Management's assessment of the impact of the outbreak of Coronavirus (COVID-19) on the business operations of the Company. In view of the uncertain economic environment, a definitive assessment of the impact on the subsequent periods is highly dependent upon circumstances as they evolve. Our opinion is not modified in respect of this matter.

KEY AUDIT MATERS

5. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key audit matter	How our audit addressed the key audit matter
<p>1. <u>Assessment of impairment loss allowance basis expected credit losses (ECL) on Loans</u> (Refer Notes 7, 8 and 30 of the financial statements)</p> <p>The loan balances towards vehicle finance, structured loans, personal loans, and other loans aggregating to ₹ 2,323,524 lakhs and the associated impairment allowances aggregating to ₹ 81,295 lakhs are significant to the financial statements and involves judgement around the determination of the impairment allowance in line with the requirements of the Ind AS 109.</p> <p>Impairment allowances represent management's estimate of the losses incurred within the loan portfolios at the balance sheet date and are inherently judgmental. Impairment, based on ECL model, is calculated using two main variables viz. 'Probability of Default' and 'Loss Given Default' as specified under the related Accounting Standard (Ind AS 109).</p> <p>Quantitative factors like days past due, behaviour of the portfolio, historical losses incurred on defaults and macro-economic data points and qualitative factors like nature of the underlying loan, deterioration in credit quality, reduction in the value of security, correlation of macro-economic variables to determine expected losses, uncertainty over realisability of security, judgement in relation to management overlays and related Reserve Bank of India (RBI) guidelines, to the extent applicable, etc. have been taken into account in the ECL computation.</p> <p>Given the inherent judgmental nature and the complexity of audit procedures involved, we determined this to be a key audit matter.</p>	<p>The audit procedures performed by us to assess appropriateness of the impairment allowance basis ECL on loans included the following:</p> <ul style="list-style-type: none"> • We understood and evaluated the design and tested the operating effectiveness of the key controls put in place by the management over: <ol style="list-style-type: none"> i. the assumptions used in the calculation of ECL and its various aspects such as determination of Probability of Default, Loss Given Default, Exposure At Default, Staging of Loans etc.; ii. the completeness and accuracy of source data used by the Management in the ECL computation; iii. ECL computations for their reasonableness. • We, along with the assistance of the our experts, verified the appropriateness of methodology and models used by the Company and reasonableness of the assumptions used within the computation process to derive impairment provision. • We also test-checked the completeness and accuracy of source data used. • We recomputed the impairment provision for sample of loans across the portfolio, to ensure arithmetical accuracy and compliance with the requirements of related accounting standard (Ind AS 109) used in the ECL computation. • We have evaluated, the reasonableness of the judgement involved in management overlays forming part of the impairment provision, and the related approvals. • We evaluated the adequacy of presentation and disclosures in relation to impairment loss allowance in the financial statements. <p>Based on the procedures performed above, we considered the management's assessment of impairment loss allowance basis ECL on Loans to be reasonable.</p>

Key audit matter

- ii. **Assessment of fair valuation of equity and a debt investment**
(Refer Note 8 of the financial statements)
- Investments made by the Company in equity and debt instruments amounting to ₹ 230,155 lakhs are measured at fair value with the corresponding fair value changes recognised in either the statement of profit or loss or other comprehensive income in accordance with related Accounting Standard (Ind AS 109).
- The valuation of these investments are inherently subjective since these are valued using inputs other than quoted prices or unobservable inputs i.e., which may not be observable independently of the Company information and valued basis management assumptions/estimates using the services of a valuation expert engaged by the management.
- Significant inputs used in the valuation of above investments include comparable companies' multiples, net asset value etc. The use of methodology for valuing these investments may also be subjective.
- Given the inherent subjectivity in the valuation of the above investments, relative significance of these investments to the financial statements and the nature and extent of audit procedures involved, we determined this to be a key audit matter.

How our audit addressed the key audit matter

- The following procedures were performed by us, to test the valuation of certain types of investments:
- We understood and evaluated the design and tested the operating effectiveness of the relevant controls in the investment valuation process.
 - We evaluated the competence, capabilities and objectivity of Management's valuation expert.
 - We involved our expert to assess the appropriateness of valuation methodology and reasonableness of significant assumptions used by the Company to estimate the fair value.
 - We verified the source data used in the determination of fair valuation of investments on a sample basis.
 - We tested the arithmetical accuracy of fair value computations.
 - We evaluated the adequacy of presentation and disclosures in relation to these investments in the financial statements.
- Based on these procedures, we considered the management's assessment of the fair valuation of certain investments in equity and debt instruments to be reasonable.

OTHER INFORMATION

6. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's report, but does not include the financial statements and our auditor's report thereon. The Board's report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Board's report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE FINANCIAL STATEMENTS

7. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
8. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

9. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are

considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

10. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
13. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

14. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure B a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
15. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Statement of Changes in Equity and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 36 to the financial statements;
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer Notes 7, 8, 13, 29 and 30 to the financial statements;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;
 - iv. The reporting on disclosures relating to Specified Bank Notes is not applicable to the Company for the year ended 31st March, 2021.
16. The Company has paid / provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

Annexure A to Independent Auditor's Report

Referred to in paragraph 15(f) of the Independent Auditor's Report of even date to the members of Kotak Mahindra Prime Limited on the financial statements as at and for the year ended 31st March, 2021

REPORT ON THE INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE ACT

1. We have audited the internal financial controls with reference to financial statements of Kotak Mahindra Prime Limited ("the Company") as of 31st March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. Also refer paragraph 4 of the main audit report.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

Referred to in paragraph 14 of the Independent Auditor's Report of even date to the members of Kotak Mahindra Prime Limited on the financial statements as of and for the year ended 31st March, 2021.

- i. (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of fixed assets.
- (b) The fixed assets of the Company have been physically verified partially by the Management during the year. In view of the lockdown consequent to the outbreak of Coronavirus (Covid-19), the physical verification of fixed assets could not be completed by the Company as at the year end. Further, the Company has carried out the physical verification of remaining fixed assets subsequent to the year-end; consequently, in our opinion, the frequency of verification is reasonable. No material discrepancies have been noticed on such verification.
- (c) The title deeds of immovable properties, as disclosed in Note 10 on property, plant and equipment to the financial statements, are held in the name of the Company.
- ii. The Company is in the business of rendering services, and consequently, does not hold any inventory. Therefore, the provisions of Clause 3(ii) of the said Order are not applicable to the Company.
- iii. The Company has granted unsecured loans, to two companies covered in the register maintained under Section 189 of the Act.
 - a) In respect of the aforesaid loans, the terms and conditions under which such loans were granted are not prejudicial to the Company's interest.
 - b) In respect of the aforesaid loans, the schedule of repayment of principal and payment of interest has been stipulated, and the parties are repaying the principal amounts, as stipulated, and are also regular in payment of interest as applicable.
 - c) In respect of the aforesaid loans, there is no amount which is overdue for more than ninety days.
- iv. The Company has not granted any loan or provided any guarantee or security in connection with any loan taken by party covered under Section 185 of the Act.

In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 186 of the Act in respect of the loans or investments made, or guarantees or security provided by it, to the extent applicable.

- v. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the Rules framed there under to the extent notified.
- vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is generally regular in depositing undisputed statutory dues in respect of employees' state insurance, professional tax and labour welfare fund, though there has been a slight delay in a few cases, and is regular in depositing undisputed statutory dues, including income tax, provident fund and goods and service tax and other material statutory dues, as applicable, with the appropriate authorities. Also refer Note 36(a) to the financial statements regarding management's assessment on certain matters relating to provident fund.

Further, for the period April 1, 2020 to May 31, 2020, the Company has paid Goods and Service Tax and filed Form GSTR-3B after the due date but within the timelines allowed by Central Board of Indirect Taxes and Customs under Notification No. 32/2020- Central Tax read with Notification No. 36/2020- Central Tax, both notifications dated 03.04.2020, on fulfilment of conditions specified therein.

- (b) According to the information and explanations given to us and the records of the Company examined by us, the particulars of dues of income tax, sales tax, service tax, duty of customs and duty of excise duty, value added tax or goods and service tax as at 31st March, 2021 which have not been deposited on account of a dispute, are as follows:

Name of the statute	Nature of dues	Amount (₹ In lakhs)	Period to which the amount relates	Forum where the dispute is pending
Income Tax Act, 1961	Income Tax	562.49	Assessment Year 2013-14	Commissioner of Income tax (Appeals)
Income Tax Act, 1961	Income Tax	335.97	Assessment Year 2014-15	Commissioner of Income tax (Appeals)
Income Tax Act, 1961	Income Tax	328.82	Assessment Year 2015-16	Commissioner of Income tax (Appeals)
Income Tax Act, 1961	Income Tax	313.91	Assessment Year 2016-17	Commissioner of Income tax (Appeals)
The Delhi Value Added Tax Rules, 2005	Value Added Tax	0.69	Assessment Year 2009-10	Special Objection Hearing Authority – Delhi VAT Department
Maharashtra Value Added Tax, 2002	Value Added Tax	2.02*	Assessment Year 2013-14	Deputy Commissioner of Sales Tax - Maharashtra

Name of the statute	Nature of dues	Amount (₹ In lakhs)	Period to which the amount relates	Forum where the dispute is pending
Maharashtra Value Added Tax, 2002	Value Added Tax	4.32*	Assessment Year 2014-15	Deputy Commissioner of Sales Tax - Maharashtra
Maharashtra Value Added Tax, 2002	Value Added Tax	43.02*	Assessment Year 2015-16	Joint Commissioner of Sales Tax - Maharashtra
Maharashtra Value Added Tax, 2002	Value Added Tax	108.97*	Assessment Year 2016-17	Joint Commissioner of Sales Tax - Maharashtra

* Details of amounts paid under protest –

Assessment year	Name of the Statute	Nature of dues	Amount paid under protest (₹ In lakhs)
2013-14	Maharashtra Value Added Tax, 2002	Value Added Tax	0.20
2014-15	Maharashtra Value Added Tax, 2002	Value Added Tax	0.43
2015-16	Maharashtra Value Added Tax, 2002	Value Added Tax	4.30
2016-17	Maharashtra Value Added Tax, 2002	Value Added Tax	6.66

- viii. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or Government or dues to debenture holders as at the balance sheet date.
- ix. The Company has not raised any moneys by way of initial public offer, further public offer (including debt instruments). In our opinion, and according to the information and explanations given to us, the money raised by way of term loans have been applied for the purposes for which they were obtained.
- x. During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us, we have neither come across any instance of material fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.
- xi. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act. Also refer paragraph 16 of our main audit report.
- xii. As the Company is not a Nidhi Company and the Nidhi Rules, 2014 are not applicable to it, the provisions of Clause 3(xii) of the Order are not applicable to the Company.
- xiii. The Company has entered into transactions with related parties in compliance with the provisions of Sections 177 and 188 of the Act. The details of related party transactions have been disclosed in the financial statements as required under Indian Accounting Standard (Ind AS) 24, Related Party Disclosures specified under Section 133 of the Act.
- xiv. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, the provisions of Clause 3(xiv) of the Order are not applicable to the Company.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with them. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- xvi. The Company is required to and has been registered under Section 45-IA of the Reserve Bank of India Act, 1934 as a Non-Banking Financial Company – Investment and Credit Company.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

NOTE 1 – CORPORATE INFORMATION

Kotak Mahindra Prime Limited (the Company) is a public company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is registered as a Non-Banking Financial Company with Reserve Bank of India. The Company is primarily engaged in financing of passenger cars and multi-utility vehicles for retail customers and inventory and term funding to car dealers. The Company also provides finance for loans against securities, personal loans, corporate loans and developer funding.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

A. Basis of preparation

(i) Statement of compliance

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (herein after referred as 'Ind AS') notified under Section 133 of the Companies Act, 2013 ("the Act") [Companies (Indian Accounting Standards) Rules, 2015 as amended by the Companies (Indian Accounting Standards) Rules, 2016] and other relevant provisions of the Act. Any application guidance/clarification/directions issued by the Reserve Bank of India or other regulators are implemented as and when they are issued/applicable.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements. These financial statements were authorized for issue by the Company's Board of Directors on 15th June, 2021.

(ii) COVID-19 pandemic

In addition to the widespread public health implications, the COVID-19 pandemic has had an extraordinary impact on macroeconomic conditions in India and around the world. During the previous year, people and economies around the world, witnessed serious turbulence caused by the first wave of the pandemic, the consequent lockdowns, the gradual easing of restrictions and the emergence of new variants of the virus. Although government has started vaccination drive, COVID-19 cases have significantly increased in recent months due to second wave as compared to earlier levels in India. Various state governments have again announced strict measures which include lockdowns to contain this spread. As COVID vaccines get administered to more and more people, businesses in sectors impacted by pandemic may pick up. However, the continuing and evolving nature of the virus has created uncertainty regarding estimated time required for businesses and lives to get back to normal.

The Company continues to closely monitor the situation and in response to this health crisis has implemented protocols and processes to execute its business continuity plans and help protect its employees and support its clients. The pandemic has impacted lending business, fee income, collection efficiency etc. resulting in increase in customer defaults and consequently increase in provisions. The Company, however, has not experienced any significant disruptions in the past one year and has considered the impact on carrying value of assets based on the external or internal information available up to the date of approval of financial statements. The future direct and indirect impact of COVID-19 on Company's business, results of operations, financial position and cash flows remains uncertain.

(iii) Historical cost convention

The financial statements have been prepared on the historical cost basis, except for the following items:

- Certain financial assets and liabilities - Measured at fair value (refer accounting policy regarding financial instruments);
- Defined benefit plans - Plan assets are measured at fair value;
- Share-based payments - Measured at fair value

B. Property, plant and equipment

i. Recognition and measurement

Property, plant and equipment (PPE) are measured at cost less accumulated depreciation and any accumulated impairment losses.

The cost of an item of property, plant and equipment comprises:

- a. its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates.
- b. any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management.

Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by management, are recognised in Statement of Profit and Loss.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted and depreciated for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in Statement of Profit and Loss within other gains/(losses).

ii. Subsequent expenditure

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to Statement of Profit and Loss during the reporting period in which they are incurred.

iii. Depreciation methods, estimated useful lives and residual value

Depreciation is provided on a pro-rata basis on a Straight Line Method over the estimated useful life of the assets at rates which are equal to or higher than the rates prescribed under Schedule II of the Companies Act, 2013 in order to reflect the actual usage of the assets and based on technical evaluation done by the management's expert. Estimated useful lives over which assets are depreciated / amortised are as follows

Computers	3 years
Office Equipment	5 years
Furniture and Fixtures	6 years
Vehicles	4 years
Premises	58 years
Leasehold Improvements	Over the period of lease subject to a maximum of 6 years

Assets costing less than 5,000 are fully depreciated in the year of purchase.

Depreciation methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

C. Intangible assets

i. Recognition and measurement

Intangible assets are stated at cost of acquisition less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase/completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

ii. Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates.

iii. Amortisation

The intangible assets are amortised over the estimated useful lives as given below:

Software (including development) expenditure	3 years
--	---------

Amortization methods, useful lives and residual values are reviewed at each reporting date and adjusted if appropriate.

D. Foreign currency

Functional and presentation currency

The financial statements are presented in Indian Rupees (INR), which is the functional currency of the Company. All amounts have been rounded off to the nearest lakhs with two decimals, unless otherwise indicated.

Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in Statement of Profit and Loss.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of Profit and Loss, within finance costs. All other foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within other gains/(losses).

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the gain or loss on fair value changes.

E. Financial instrument

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

The Company classifies its financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction fees or costs that are directly attributable and incremental to the origination/acquisition of the financial asset unless otherwise specifically mentioned in the accounting policies.

Business model assessment

The Company makes an assessment of the objective of a business model in which an asset is held such that it best reflects the way the business is managed and is consistent with information provided to management. The information considered includes:

- the objectives for the portfolio, in particular, management's strategy of focusing on earning contractual interest revenue, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of the liabilities that are funding those assets or realising cash flows through the sale of the assets;
- the frequency, volume and timing of sales in prior periods, the reasons for such sales and its expectations about future sales activity. However, information about sales activity is not considered in isolation, but as part of an overall assessment of how the Company's stated objective for managing the financial assets is achieved and how cash flows are realised.
- the risks that affect the performance of the business model, the financial assets held within that business model and how those risks are managed

Assessment whether contractual cash flows are solely payments of principal and interest

For the purposes of this assessment, 'principal' is defined as the fair value of the financial asset on initial recognition. 'Interest' is defined as consideration for the time value of money and for the credit risk associated with the principal amount outstanding during a particular period of time and for other basic lending risks and costs, as well as profit margin.

In assessing whether the contractual cash flows are solely payments of principal and interest, the Company considers the contractual terms of the instrument. This includes assessing whether the financial asset contains a contractual term that could change the timing or amount of contractual cash flows such that it would not meet this condition. In making the assessment, the Company considers:

- reset terms
- contingent events that would change the amount and timing of cash flows;
- prepayment and extension terms; and
- features that modify consideration of the time value of money – e.g. periodical reset of interest rates.

Subsequent measurement

The Company classifies its financial assets in the following measurement categories:

(i) Amortised cost (AC)

A financial asset is measured at amortised cost if it meets both of the following conditions:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest on the principal amount outstanding.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

After initial measurement, such financial assets are subsequently measured at amortised cost using the effective interest (EIR) method. Amortised cost is calculated by considering any discount or premium on acquisition and fees or costs that are an integral part of the EIR and reported as part of interest income in the Statement of Profit and Loss. The losses if any, arising from impairment are recognised in the Statement of Profit and Loss.

(ii) Fair value through Other Comprehensive Income (FVOCI) – debt investment

A debt investment is measured at FVOCI if it meets both of the following conditions:

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset represent contractual cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial measurement, such financial assets are subsequently measured at fair value. Interest income is recognised using the effective interest (EIR) method. The loss allowance is recognized in other comprehensive income and does not reduce the carrying value of the financial asset. On derecognition, gains and losses accumulated in OCI are reclassified to Statement of Profit and Loss.

(iii) Fair value through Other Comprehensive Income (FVOCI) – equity investment

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in Other Comprehensive Income. This election is made on an investment- by- investment basis.

After initial measurement, such financial assets are subsequently measured at fair value. Dividends are recognised as income in Statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to Statement of Profit and Loss.

(iv) Fair value through profit and loss (FVTPL)

This is a residual category for classification. Any asset which does not meet the criteria for classification as at amortised cost or FVOCI, is classified as FVTPL. Financial assets at FVTPL are measured at fair value, and changes in fair value therein are recognised in the Statement of Profit and Loss.

Financial liabilities

All financial liabilities are subsequently measured at amortised cost except when designated to be measured at FVTPL.

F. Impairment of financial assets

Methodology for computation of Expected Credit Losses (ECL)

The financial instruments covered within the scope of ECL include financial assets measured at amortised cost and FVOCI, such as trade receivables, loans, debentures, preference shares, certificate of deposit, balances and deposits with banks and other financial assets. ECL has not been determined on financial assets measured at FVTPL.

The loss allowance has been measured using lifetime ECL except for financial assets on which there has been no significant increase in credit risk since initial recognition. In such cases, loss allowance has been measured at 12 month ECL.

At each reporting date, the Company assesses whether financial assets carried at amortised cost and FVOCI is credit-impaired. A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred since initial recognition. Evidence that a financial asset is credit-impaired includes the observable data such as Days Past Due ('DPD') or default event.

ECL are a probability weighted estimate of credit losses, measured as follows:

- Financial assets that are not credit impaired at the reporting date:
ECL has been estimated by determining the probability of default ('PD'), Exposure at Default ('EAD') and loss given default ('LGD'). PD has been computed using observed history of default and converted into forward looking PD's using suitable macro-economic variable data.
- Financial assets that are credit impaired at the reporting date:
For loans, ECL has been estimated as the difference between the gross carrying amount and the present value of estimated future cash flows.

For trade receivables, the Company applies a simplified approach. It recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. Therefore, the Company does not track changes in credit risk, but instead recognises a loss allowance based on lifetime ECLs at each reporting date.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

If the terms of a financial asset are renegotiated or modified or an existing financial asset is replaced with a new one due to financial difficulties of the borrower, then an assessment is made of whether the financial asset should be derecognised:

- If the expected restructuring will not result in derecognition of the existing asset, expected cash flows arising from the modified financial asset are included in calculating cash shortfalls from the existing asset
- If the expected restructuring will result in derecognition of the existing asset and the recognition of modified asset, the modified asset is considered as a new financial asset. The date of the modification is treated as the date of initial recognition of that financial asset when applying the impairment requirements to the modified financial asset. The impairment loss allowance is measured at an amount equal to 12 month expected credit losses until there is a significant increase in credit risk. If modified financial asset is credit-impaired at initial recognition, the financial asset is recognized as originated credit impaired asset.

Criteria used for determination of movement from stage 1 (12 month ECL) to stage 2 (lifetime ECL) and stage 3 (Lifetime ECL)

The Company applies a three-stage approach to measure ECL on financial assets measured at amortised cost and FVOCI. The assets migrate through the following three stages based on an assessment of qualitative and quantitative considerations:

- Stage 1: 12 month ECL

For exposures where there has not been a significant increase in credit risk since initial recognition and that are not credit impaired upon origination, the portion of the lifetime ECL associated with the probability of default events occurring within the next 12 months is recognised. Interest income is accrued using the effective interest rate on the gross carrying amount.

- Stage 2: Lifetime ECL (not credit impaired):

At each reporting date, the Company assesses whether there has been a significant increase in credit risk for financial assets since initial recognition. In determining whether credit risk has increased significantly since initial recognition, the Company uses days past due (DPD) information and other qualitative factors to assess deterioration in credit quality of a financial asset.

For credit exposures where there has been a significant increase in credit risk since initial recognition but that are not credit impaired, a lifetime ECL is recognised. Interest income is accrued using the effective interest rate on the gross carrying amount.

- Stage 3: Lifetime ECL (credit impaired):

Financial assets are assessed as credit impaired when one or more events that have a detrimental impact on the estimated future cash flows of the asset have occurred. For financial assets that have become credit impaired, a lifetime ECL is recognised and interest revenue is calculated by applying the effective interest rate to the amortized cost (net of loss allowance).

If, in a subsequent period, credit quality improves and reverses any previously assessed significant increase in credit risk since origination, then the Expected Credit Loss reverts from lifetime ECL to 12-months ECL

Method used to compute lifetime ECL:

The Company calculates ECLs based on a probability-weighted scenarios to measure the expected cash shortfalls, discounted at an approximation to the EIR. A cash shortfall is the difference between the cash flows that are due to an entity in accordance with the contract and the present value of cash flows that the entity expects to receive. The Company applies statistical techniques to estimate lifetime ECL.

Manner in which forward looking assumptions has been incorporated in ECL estimates:

The Company considers its historical loss experience and adjusts it for current observable data. In addition, the Company uses reasonable forecasts of future economic conditions including expert judgement to estimate the amount of expected credit losses. The methodology and assumptions including any forecasts of future economic conditions are periodically reviewed and changes, if any, are accounted for prospectively.

G. Write-offs

Financial assets are written off either partially or in their entirety when there is no realistic prospect of recovery. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts. If the amount to be written off is greater than the accumulated loss allowance, the difference is first treated as an addition to the allowance that is then applied against the gross carrying amount. Any subsequent recoveries are credited to impairment on financial instruments in Statement of Profit and Loss. However, financial assets that are written off may be subject to enforcement activities to comply with the Company's procedures for recovery of amounts due.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

H. Derecognition of financial assets and financial liabilities

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

On derecognition of a financial asset, the difference between the carrying amount of the asset (or the carrying amount allocated to the portion of the asset derecognised) and the sum of (i) the consideration received (including any new asset obtained less any new liability assumed) and (ii) any cumulative gain or loss that had been recognised in OCI is recognised in Statement of Profit and Loss.

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

I. Modification of financial assets and financial liabilities

Financial assets

If the terms of a financial asset are modified, the Company evaluates whether the cash flows of the modified asset are substantially different. If the cash flows are substantially different, then the contractual rights to cash flows from the original financial asset are deemed to have expired. In this case, the original financial asset is derecognised and a new financial asset is recognised at fair value.

If the cash flows of the modified asset carried at amortised cost are not substantially different, then the modification does not result in derecognition of the financial asset. In this case, the Company recalculates the gross carrying amount of the financial asset as the present value of the renegotiated or modified contractual cash flows that are discounted at the financial asset's original effective interest rate and recognises the amount arising from adjusting the gross carrying amount as modification gain or loss in Statement of Profit and Loss. Any costs or fees incurred adjust the carrying amount of the modified financial asset and are amortised over the remaining term of the modified financial asset. If such a modification is carried out because of financial difficulties of the borrower, then the gain or loss is presented together with impairment losses. In other cases, it is presented as interest income.

Financial liabilities

The Company derecognises a financial liability when its terms are modified and the cash flows of the modified liability are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in Statement of Profit and Loss.

J. Measurement of fair values

The Company's accounting policies and disclosures require the measurement of fair values for financial instruments such as unquoted equity instruments, debentures, preference shares etc.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the management assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, the Company uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:-

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

Notes

forming part of Financial Statements for the year ended 31st March, 2021

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

K. Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the group or the counterparty.

L. Derivative financial instruments

Derivatives are only used for economic hedging purposes and not as a speculative investments. However, where derivatives do not meet the hedge accounting criteria, they are classified as 'held for trading' for accounting purposes and are accounted for at FVTPL.

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value at the end of each reporting period. The resulting gain or loss is recognised in Statement of Profit and Loss immediately.

The Company enters into certain derivative contracts to hedge risks which are not designated as hedges. Such contracts are accounted for at fair value through profit or loss and are shown as gains/(losses) on fair value changes.

Derivatives embedded in a host contract that is an asset within the scope of Ind AS 109 are not separated. Financial assets with embedded derivatives are considered in their entirety when determining whether their cash flows are solely payment of principal and interest.

Derivatives embedded in all other host contract are separated only if the economic characteristics and risks of the embedded derivative are not closely related to the economic characteristics and risks of the host and are measured at fair value through profit or loss. Embedded derivatives closely related to the host contracts are not separated.

M. Revenue recognition

Interest income

Interest income is recognised by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial assets other than credit-impaired assets and financial assets classified as measured at FVTPL.

The EIR in case of a financial asset is computed

- As the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset.
- By considering all the contractual terms of the financial instrument in estimating the cash flows.
- Including all fees received between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts.

Any subsequent changes in the estimation of the future cash flows is recognised in interest income with the corresponding adjustment to the carrying amount of the assets.

Interest income on credit impaired assets is recognised by applying the effective interest rate to the net amortised cost (net of loss allowance) of the financial asset.

Dividend income

Dividend income is recognised in Statement of Profit and Loss on an accrual basis when the right to receive the dividend is established.

Fees and commission income

Fees and commissions are recognised when the Company satisfies the performance obligation, at fair value of the consideration received or receivable based on a five-step model as set out in Ind AS 115, unless included in the effective interest calculation:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.

N. Employee benefits

(i) Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as employee benefit obligations in the Balance Sheet.

(ii) Compensated Absences - Other Long-Term Employee Benefits

The Company accrues the liability for compensated absences based on the actuarial valuation as at the Balance Sheet date conducted by an independent actuary. The net present value of the Company's obligation is determined based on the projected unit credit method as at the Balance Sheet date. Remeasurement gains or losses on long term compensated absences are recognised in Statement of Profit and Loss.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

a. Gratuity – Defined Benefit Plan

The Company accounts for the liability for future gratuity benefits based on an actuarial valuation. The Company contributes to a Gratuity Fund administered by trustees and managed by Kotak Mahindra Life Insurance Company Limited, fellow subsidiary.

The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in Statement of Profit and Loss as past service cost.

b. Provident Fund/Employee State Insurance Scheme - Defined Contribution Plan

The Company's contribution to Provident Fund and Employee State Insurance Scheme are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

(iv) Other Employee Benefits

The undiscounted amount of employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the period when the employee renders the service. These benefits include performance incentives.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

As per the Company policy, employees of the Company are eligible for an award after completion of a specified number of years of service with the Company. The obligation is measured at the Balance Sheet date on the basis of an actuarial valuation using the projected unit credit method. This cost is included in employee benefit expense in the Statement of Profit and Loss.

(v) Share based payment

Employees Stock Options Plans ("ESOPs") - Equity settled

The ultimate holding company of the company operates share option schemes for the purpose of providing incentives and rewards to eligible participants who contribute to the success of the Company's operations. Employees (including directors) of the Company receive remuneration in the form of share-based payments, whereby employees render services as consideration for equity instruments ("equity settled transactions").

The cost of equity-settled transactions with employees and directors for grants is measured by reference to the fair value at the date at which they are granted:

- a. including any market performance conditions (e.g., the entity's share price)
- b. excluding the impact of any service and non-market performance vesting conditions (e.g. remaining an employee of the entity over a specified time period)

The cost of equity-settled transactions is recognised in Statement of Profit and Loss, together with a corresponding increase in reserves, representing contribution received from the ultimate holding company, over the period in which the performance and/or service conditions are fulfilled. The cumulative expense recognised for equity-settled transactions at the end of each reporting period until the vesting date reflects the extent to which the vesting period has expired and the company's best estimate of the number of equity instruments that will ultimately vest. The charge or credit to Statement of Profit and Loss for a period represents the movement in the cumulative expense recognised as at the beginning and end of that period.

Stock Appreciation Rights ("SARs") - Cash Settled

The fair value of the amount payable to employees in respect of share appreciation rights, which are settled in cash, is recognised as an expense with a corresponding increase in liabilities, over the period the employees unconditionally become entitled to payment. The liability is measured at the end of each reporting date up to and including settlement date, with changes in the fair value recognised under employee benefit expense in Statement of Profit and Loss.

(vi) Bonus

The Company recognises a liability and an expense for bonuses. The Company recognises a provision where contractually obliged or where there is a past practice that has created a constructive obligation.

O. Income tax

Current and deferred tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

Current tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period in the countries where the company and its subsidiaries and associates operate and generate taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Deferred tax

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

Deferred tax liabilities are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, associates and interest in joint arrangements where the Company is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future.

Deferred tax assets are not recognised for temporary differences between the carrying amount and tax bases of investments in subsidiaries, associates and interest in joint arrangements where it is not probable that the differences will reverse in the foreseeable future and taxable profit will not be available against which the temporary difference can be utilised.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

P. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the financial year, adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares), if any, that have changed the number of equity shares outstanding, without a corresponding change in resources. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

Q. Leases

Upto 31st March, 2019

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases

With effect from 1st April, 2019

Company as lessee

The Company assesses whether a contract is or contains a lease, at inception of the contract. The Company recognises a right-of-use asset and a corresponding lease liability with respect to all lease arrangements in which it is the lessee, except for short-term leases (defined as leases with a lease term of 12 months or less) and leases of low value assets (such as tablets and personal computers, small items of office furniture and telephones). For these leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the term of the lease unless another systematic basis is more representative of the time pattern in which economic benefits from the leased assets are consumed.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted by using the rate implicit in the lease. If this rate cannot be readily determined, the Company uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liability comprise:

- Fixed lease payments (including in-substance fixed payments), less any lease incentives receivable;
- Variable lease payments that depend on an index or rate, initially measured using the index or rate at the commencement date;
- The amount expected to be payable by the lessee under residual value guarantees;
- The exercise price of purchase options, if the lessee is reasonably certain to exercise the options; and
- Payments of penalties for terminating the lease, if the lease term reflects the exercise of an option to terminate the lease.

The lease liability is subsequently measured by increasing the carrying amount to reflect interest on the lease liability (using the effective interest method) and by reducing the carrying amount to reflect the lease payments made.

The Company re-measures the lease liability (and makes a corresponding adjustment to the related right-of-use asset) whenever:

- the lease term has changed or there is a significant event or change in circumstances resulting in a change in the assessment of exercise of a purchase option, in which case the lease liability is remeasured by discounting the revised lease payments using a revised discount rate.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

- the lease payments change due to changes in an index or rate or a change in expected payment under a guaranteed residual value, in which cases the lease liability is remeasured by discounting the revised lease payments using an unchanged discount rate (unless the lease payments change is due to a change in a floating interest rate, in which case a revised discount rate is used).
- a lease contract is modified and the lease modification is not accounted for as a separate lease, in which case the lease liability is remeasured based on the lease term of the modified lease by discounting the revised lease payments using a revised discount rate at the effective date of the modification.

The right-of-use assets comprise the initial measurement of the corresponding lease liability, lease payments made at or before the commencement day, less any lease incentives received and any initial direct costs. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated over the shorter period of lease term and useful life of the underlying asset. The depreciation starts at the commencement date of the lease.

Company as lessor

Leases for which the Company is a lessor are classified as finance or operating leases. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Accounting for Finance leases as a Lessor

Agreements are classified as finance leases, if substantially all the risks and rewards incidental to ownership of the leased asset is transferred to the lessee.

Assets given under finance leases are recognised as a receivable at an amount equal to the net investment in the lease. Finance income is allocated over the lease term on a systematic and rational basis. This income allocation is based on a pattern reflecting a constant periodic return on the net investment in the finance lease.

R. Provisions and contingent liabilities

Provisions are recognised when the enterprise has a present obligation (legal or constructive) as a result of past events, and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements

S. Impairment of non-financial assets

Assets/cash generating units (CGU) are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable.

An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

T. Segment reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, whose operating results are regularly reviewed by the Company's Chief Operating Decision Maker ("CODM") to make decisions for which discrete financial information is available. Based on the management approach as defined in Ind AS 108, the CODM evaluates the Company's performance and allocates resources based on an analysis of various performance indicators by business segments. Refer note 46 for segment information presented.

U. Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

V. Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in Statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

W. Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

X. Borrowing cost

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Other borrowing costs are expensed in the period in which they are incurred.

Y. Trade receivable

Trade receivables are amounts due from customers for services performed in the ordinary course of business. Trade receivables are recognised initially at the amount of consideration that is unconditional unless they contain significant financing components, when they are recognised at fair value.

The Company holds the trade receivables with the objective to collect the contractual cash flows and therefore measures them subsequently at amortised cost using the effective interest method, less loss allowance.

Z. Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

AA. Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

BB. Transition to Ind AS 116: Leases:

On 30th March, 2019, the Ministry of Corporate Affairs ("MCA") through the Companies (Indian Accounting Standards) Amendment Rules, 2019 and the Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases which replaces the existing lease standard, Ind AS 17 Leases and other interpretations.

Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-Balance Sheet lease accounting model for lessees.

Effective from 1st April, 2019 ('the date of transition'), the Company applied Ind AS 116 retrospectively to all leases previously classified as operating leases with the cumulative effect of initially applying the Standard recognised at the date of initial application as an adjustment to the opening balance of retained earnings at 1st April, 2019 ('the modified retrospective approach'). Accordingly, the comparative information is not restated – i.e. it is presented, as previously reported, under Ind AS 17. Additionally, the disclosure requirements in Ind AS 116 have not generally been applied to comparative information.

Company as a lessee

The Company has recognised a lease liability at the date of initial application for leases previously classified as an operating lease applying Ind AS 17. The Company has measured lease liability at the present value of the remaining lease payments, discounted using the Company's incremental borrowing rate at the date of initial application.

The Company has recognised a right-of-use asset at the date of initial application for leases previously classified as an operating lease applying Ind AS 17. The Company has chosen to measure that right-of-use asset at its carrying amount as if the Ind AS 116 had been applied since the commencement date on a lease by lease basis, but discounted using the lessee's incremental borrowing rate at the date of initial application and adjusted for prepaid or accrued lease payments.

Notes

forming part of Financial Statements for the year ended 31st March, 2021

Rent equalisation liability created on account of straight-lining of rent escalations has been reversed through retained earnings. The Company has tested its right-of-use assets for impairment on the date of transition and has concluded that there is no indication that the right-of-use assets are impaired.

Refer note 2(Q-R) – Significant accounting policies – Leases in the Financial statements of the Company for the year ended 31st March, 2019, for the policy as per Ind AS 17.

Applying Ind AS 116, for all operating leases (except as indicated below), the Company:

- a) Recognises right-of-use assets and lease liabilities in the Balance Sheet;
- b) Recognises depreciation of right-of-use assets and interest on lease liabilities in the Statement of Profit and Loss;
- c) Separates the total amount of cash paid into a principal portion (presented within financing activities) and interest (presented within financing activities) in the statement of cash flows

The Company used a number of practical expedients when applying Ind AS 116 to leases previously classified as operating leases under Ind AS 17. In particular, the Company:

- Excluded initial direct costs from measuring the right-of-use asset at the date of initial application.
- Elected not to apply the requirements of Ind AS 116 to leases which are expiring within 12 months from the date of transition by class of assets and leases for which the underlying asset is of low value on a lease-by-lease basis.

The difference between the future minimum lease rental commitments towards non-cancellable operating leases reported as at 31st March, 2019 compared to the lease liability as accounted as at 1st April, 2019 is primarily due to inclusion of present value of the lease payments for the cancellable term of the leases, reduction due to discounting of the lease liabilities as per the requirement of Ind AS 116 and exclusion of the commitments for the leases to which the Company has chosen to apply the practical expedient as per the standard.

Company as a lessor

The Company is not required to make any adjustments on transition to Ind AS 116 for leases in which it acts as a lessor. The Company accounted for its leases in accordance with Ind AS 116 from the date of initial application.

CC. Amendments to existing Ind AS

The amendments listed below do not have any impact on the amounts recognised in prior periods and are not expected to significantly affect the current or future periods

- Definition of Material – amendments to Ind AS 1 and Ind AS 8
- Definition of a Business – amendments to Ind AS 103
- COVID-19 related concessions – amendments to Ind AS 116
- Interest Rate Benchmark Reform – amendments to Ind AS 109 and Ind AS 107

Note -3 Use of estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving estimates or judgements are:

- (i) Estimation of defined benefit obligations
- (ii) Recognition of deferred tax assets, estimation of current tax expense and current tax payable
- (iii) Estimation of provisions and contingencies
- (iv) Fair value of employee share options
- (v) Fair value of financial instruments including unlisted equity instruments

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

- (vi) Business model assessment
- (vii) Impairment of financial instruments

Estimation uncertainty relating to Covid-19 in assessing the Impairment of Loans:

Accounting estimates and associated assumptions applied in preparing these financial statements, especially for determining the impairment allowance for the Company's loan receivables, are based on historical experience and other emerging / forward looking macro-economic variables considering the current impact of the pandemic. The Company has used estimation of potential stress on probability of default and exposure at default due to Covid-19 situation in developing the estimates, assumptions and management overlays to assess the impairment loss allowance on loans. Based on the sensitivity analysis of the assumptions used, the Company believes that the factors considered are reasonable under the current circumstances. Given the dynamic nature of pandemic situation, these accounting estimates are subject to uncertainty and may be affected by the severity and duration of the pandemic. In the event the impacts are more severe or prolonged than anticipated, it will have a corresponding impact on the carrying value of financial assets, the financial position and performance of the Company.

NOTE 4 CASH AND CASH EQUIVALENTS

Particulars	As at 31 st March, 2021	As at 31 st March, 2020

NOTE 13 DERIVATIVE FINANCIAL INSTRUMENTS

The Company enters into derivatives for risk management purposes. Derivatives held for risk management purposes include hedges that either meet the hedge accounting requirements or hedges that are economic hedges, but the Company has elected not to apply hedge accounting requirements. The company also has embedded option liability in the form of embedded derivative in Nifty linked debentures.

The table below shows the fair values of derivative financial instruments recorded as liabilities together with their notional amounts. The notional amounts indicate the value of transactions outstanding at the year end and are not indicative of either the market risk or credit risk.

Particulars	Notional Amounts	Fair Value- Liabilities
As at 31st March, 2021		
Part I		
-Embedded option on Nifty linked debentures	NA	2,745.00
-Cross Currency Swaps	55,000.00	1,993.99
Total Derivative financial instruments	55,000.00	4,738.99
Part II		
Included in above (Part I) are derivatives held for hedging and risk management purposes as follows:		
Undesignated derivatives	NA	4,738.99
Total derivative financial instruments	-	4,738.99

Equity instruments through OCI	163,321.50	142,705.30
Total	814,200.89	741,990.58

Note 23.1 Nature and purpose of reserve

Special Reserve u/s 45 IC of the RBI Act, 1934

This is a Statutory reserve created in accordance with section 45 IC(1) of the RBI Act, 1934 which requires the Company to transfer a specified sum (not less than 20% of its profit after tax) to Reserve Fund based on its net profit as per the profit and loss account.

As per Section 45 IC(2) of the RBI Act, 1934, no appropriation of any sum from this reserve fund shall be made by the NBFC except for the purpose as may be specified by RBI.

Securities premium

Securities premium is used to record the premium on issue of shares. The reserve can be utilised only for limited purposes in accordance with the provisions of section 52 of Companies Act, 2013.

Capital redemption reserve

As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve.

General reserve

The general reserve is used from time to time to transfer profits from Retained Earnings for appropriation purposes. As the general reserve is created by a transfer from one component of equity to another and is not an item of other comprehensive income, items included in the general reserve will not be reclassified subsequently to profit or loss.

Capital contribution from parent

Capital contribution from parent represents fair value of the employee stock option plan. These option are issued by parent company "Kotak Mahindra Bank Limited" to the employee of the company.

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

Retained earnings

Retained earnings represents surplus/accumulated earnings of the Company and are available for distribution to shareholders.

Debt instruments through OCI

This comprises changes in the fair value of debt instruments recognised in other comprehensive income and accumulated within equity. The Company transfers amounts from such component of equity to retained earnings when the relevant debt instruments are derecognised.

Equity instruments through OCI

The company has elected to recognise changes in the fair value of certain investments in equity securities in other comprehensive income. These changes are accumulated within the Equity investments through OCI reserve.

The Company offsets tax assets and liabilities if and only if it has a legally enforceable right to set off current tax assets and current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority.

Significant management judgment is required in determining provision for income tax, deferred income tax assets and liabilities and recoverability of deferred income tax assets. The recoverability of deferred income tax assets is based on estimates of taxable income in which the relevant entity operates and the period over which deferred income tax assets will be recovered.

(e) Tax Balance

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Current tax assets (Net)	3,493.90	2,521.04
(Net of provision of 31 st March, 2021: ₹ 1,56,526.23 lakhs, 31 st March, 2020: ₹ 1,19,017.98 lakhs)		
Current tax liabilities (Net)	3,902.83	3,011.83
(Net of advance tax of 31 st March, 2021: ₹ 1,20,554.75 lakhs, 31 st March, 2021: ₹ 1,35,067.02 lakhs)		

NOTE 35 EARNINGS PER EQUITY SHARE

Basic EPS is calculated by dividing the profit for the year attributable to equity holders by the weighted average number of equity shares outstanding during the year. Diluted EPS is calculated by dividing the profit attributable to equity holders by the weighted average number of equity shares outstanding during the year plus the weighted average number of Equity shares that would be issued on conversion of all the dilutive potential equity shares into equity shares.

Sr No	Particulars	For the year ended 31 st March, 2021	For the year ended 31 st March, 2020

(All amounts in INR lakhs, unless otherwise stated)

NOTE 36 CONTINGENT LIABILITIES AND COMMITMENTS (TO THE EXTENT NOT PROVIDED FOR)

Sr No	Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Contingent liabilities:			
a)	Claims against the Company not acknowledged as debt in case of suits filed by customer/s with respect to release of repossessed vehicles and related matters. The Company had preferred an appeal against the same with State / National Consumer Dispute Redressal Forum.	657.94	574.35
b)	The Company has received a demand (net of provision) on completion of income tax assessment. The said amount is disputed and the Company has preferred an appeal against the same	298.44	298.44
	Assessment Year	As at 31st March, 2021	As at 31st March, 2020
	2013-14	190.49	190.49
	2014-15	53.72	53.72
	2015-16	49.02	49.02
	2016-17	5.21	5.21
c)	The Company has received VAT assessment orders for financial years 2008-09 to 2016-17. The Company has preferred an appeal against the same. The Company is confident of successfully defending the demands and does not expect any outflow on these counts.	530.28	421.55
Total		1,486.67	1,294.34

36 (a) Provident Fund

The Honourable Supreme Court has provided a judgment in case of "Vivekananda Vidyamandir And Others Vs The Regional Provident Fund Commissioner (II) West Bengal" and the related circular (Circular No. C-1/1(33)2019/Vivekananda Vidya Mandir/284) dated 20th March, 2019 issued by the Employees' Provident Fund Organisation in relation to non-exclusion of certain allowances from the definition of "basic wages" of the relevant employees for the purposes of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. With regard to above Supreme Court (SC) judgement there are various interpretative issues including applicability and the impact thereof cannot be quantified. However, the Company has obtained a legal advice in this matter that this judgement should be applicable from March 2019.

- 36 (b) In accordance with the board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated 27th March, 2020, 17th April, 2020 and 23rd May, 2020 relating to 'COVID-19 - Regulatory Package', the Company has granted moratorium on the payment of installments falling due between 1st March, 2020 and 31st August, 2020 to all eligible borrowers. In respect of accounts where moratorium benefit has been granted, days past due (DPD) status of those accounts as at 31st March, 2020 is based on the days past due status as on 29th February, 2020.

The granting of moratorium does not result in accounts becoming past due and automatically triggering forward movement to Stage 2 or Stage 3. However Company made a qualitative analysis of such accounts and wherever Company assessed, there may have been significant increase in credit Risk, financial assets have been classified to Stage II and accordingly impairment allowance for lifetime expected loss is provided.

Further in accordance with Resolution Framework for COVID-19 announced by RBI on 6th August, 2020, the Company has implemented one-time restructuring for certain eligible borrowers in accordance with the above framework.

NOTE 37 PAYMENT TO AUDITORS

Sr No	Particulars	For the year ended 31 st March, 2021	For the year ended 31 st March, 2020

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

(c) Employee gratuity fund - Refer note 40(ii)

(d) Terms and conditions of transactions with related parties

The transactions with related parties are made in the normal course of business and on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and settlement occurs in cash.

(e) The impairment loss allowance provided on receivables from related parties is ₹ 8.26 lakhs (31st March, 2020: ₹ 26.83 lakhs)

NOTE 40 LEASES

Operating lease as lessee:

1 The Company leases office premises/branches. The average lease term is 6.33 years. The lease terms include renewal option after expiry of primary lease period. There are no restrictions imposed by the lease arrangements. There are escalation clauses in the lease agreements.

2 As a lessee

Property, plant and equipment' comprise owned and leased assets that do not meet the definition of investment property.

Particulars	Note	As at 31 st March, 2021	As at 31 st March, 2020
Property, plant and equipment owned	10	2,557.22	2790.14
Right-of-use assets, except for investment property	10	866.16	1067.34

The Company leases assets including premises. Information about the leases for which the Company is a lessee is presented below:

Right-of-use assets

	Office Premises	Total
Balance as at 1st April, 2019	1,380.15	1,380.15
Additions / (Disposals) for the year	(0.63)	(0.63)
Depreciation charge for the year	(312.19)	(312.19)
Balance as at 31st March, 2020	1,067.33	1,067.33
Balance as at 1st April, 2020	1,067.33	1,067.33
Additions / (Disposals) for the year	72.20	72.20
Depreciation charge for the year	(273.38)	(273.38)
Balance as at 31st March, 2021	866.15	866.15

Additions to the right to use assets during the year 2020-21 is INR 175.95 Lakhs (2019-20: INR 3.15)

Lease liabilities

The Company has presented lease liabilities within 'Other financial liabilities'.

3 Amounts recognised in profit and loss

	For the year ended 31 st March, 2021	For the year ended 31 st March, 2020
Interest expense on lease liabilities	88.83	118.87
Expense relating to short-term leases	668.57	690.35
Expense relating to leases of low value assets, excluding short term leases of low value assets	-	-
Expense relating to variable lease payments not included in the measurement of the lease liability	-	-
Income from subleasing right-of-use assets	-	-
Gains or losses arising from sale and leaseback transactions	-	-

4 At 31st March, 2021, the Company is committed to INR 0.27 Lakhs for short-term leases.

5 Amounts recognised in statement of cash flows

The total cash outflow for leases amount to INR 353.61 Lakhs.

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

6 Maturity analysis

	As at 31 st March, 2021	As at 31 st March, 2020
Contractual undiscounted cash flows		
Not later than 1 year	354.09	392.33
Later than 1 year and not later than 5 years	826.73	1,027.48
Later than 5 years	115.96	168.00
Total undiscounted lease liabilities	1,296.78	1,587.81
Lease liabilities included in the Balance Sheet		
Current	1,106.19	1,319.59
Non-current	282.19	301.00
	824.00	1018.59

The Company does not face a significant liquidity risk with regard to its lease liabilities. Lease liabilities are monitored within the Company's treasury function.

7 Short term leases and Leases of low value assets

The Company has elected not to recognise right of use assets and lease liabilities for short term leases of office premises/branches that have a lease term of 12 months or less. The company does not have any leases of low value assets. The Company recognises the lease payments associated with these leases as an expense on a straight line basis over the lease term.

Finance Lease as lessor:

The Company is in the business of vehicle financing. The Company enters into finance lease agreements ranging between one to five years.

The reconciliation between the total gross investment in the lease at the Balance Sheet date and the present value of minimum lease payments receivable at the Balance Sheet are as follows:

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Minimum lease payment	15,504.64	18,620.92
Unearned finance income	2,594.49	3,273.39
Unearned maintenance and insurance income	-	-
Present value of minimum lease payments	12,910.15	15,347.53

Gross investment in lease and present value of minimum lease payments for each of the following periods are as follows:

Particulars	As at 31 st March, 2021		As at 31 st March, 2020	
	Gross investment in lease	Net present value of MLP	Gross investment in lease	Net present value of MLP
Less than one year	6,074.04	4,765.46	7,125.25	5,524.34
Between one and five years	9,430.60	8,144.69	11,495.67	9,823.19
More than five years	-	-	-	-
Present value of minimum lease payments	15,504.64	12,910.15	18,620.92	15,347.53

The following table contains other relevant disclosures for finance leases as lessor:

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Accumulated allowance for uncollectible minimum lease payments receivable	202.99	424.09
Unguaranteed residual values accruing to the benefit of the lessor	-	-
Contingent Rent recognised as income during the period	-	-

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

NOTE 41 EMPLOYEE BENEFITS

The Company contributes to the following post-employment defined benefit plans in India.

(i) Defined Contribution Plans:

The Company makes Provident Fund contributions to Recognized Provident Fund for employees. The Company is required to contribute a specified percentage of the payroll costs to fund the benefits. The Company recognised ₹ 867.13 lakh (31st March, 2020 : ₹ 767.42 lakh) for Provident Fund contributions in the Statement of Profit and Loss.

(ii) Defined Benefit Plan:

Gratuity :-

The Company accounts for the liability for future gratuity benefits based on an actuarial valuation. The Company contributes to a Gratuity Fund administered by trustees and managed by Kotak Mahindra Life Insurance Company Limited, fellow subsidiary. The net present value of the Company's obligation towards the same is actuarially determined based on the projected unit credit method as at Balance Sheet date.

A. Based on the actuarial valuation obtained in this respect, the following table sets out the status of the gratuity plan and the amounts recognised in the Company's financial statements as at Balance Sheet date:

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Present value of funded defined benefit obligation (A)	1,179.11	1,004.85
Fair value of plan assets (B)	(1,213.88)	(771.95)
Net (asset) / liability recognised in the Balance Sheet (A-B)	(34.77)	232.90

B. Movement in net defined benefit (asset) liability

The following table shows a reconciliation from the opening balances to the closing balances for net defined (asset)/liability and it's components:-

Particulars	Defined benefit obligation		Fair value of plan assets		Net defined benefit (asset) liability	
	As at 31 st March, 2021	As at 31 st March, 2020	As at 31 st March, 2021	As at 31 st March, 2020	As at 31 st March, 2021	As at 31 st March, 2020
Opening balance	1,004.85	894.31	771.95	812.68	232.90	81.63
Included in profit or loss

C. Expenses recognised in Statement of Profit and Loss

Particulars	For the year ended 31 st March, 2021	For the year ended 31 st March, 2020
Current service cost	159.80	221.01
Past service cost	-	-
Administration expenses	-	-
Interest on net defined benefit liability / (asset)	13.31	4.05
(Gains) / losses on settlement	-	-
Total employee benefit liabilities	173.11	225.05

D. Remeasurements recognised in other comprehensive income

Particulars	For the year ended 31 st March, 2021	For the year ended 31 st March, 2020
Actuarial loss / (gain) arising from:		
Financial assumptions	16.34	(0.56)
Demographic assumptions	-	-
Experience adjustments	(13.55)	(55.70)
Actual return on plan assets less interest on plan assets	(102.93)	98.22
Adjustment to recognise the effect of asset ceiling	-	-
	(100.15)	41.96

E. Disaggregation of Plan assets

A split of plans asset between various asset classes as well as segregation between quoted and unquoted values is presented below:-

Particulars	As at 31 st March, 2021		As at 31 st March, 2020	
	Quoted value	Unquoted value	Quoted value	Unquoted value
Insurer managed funds	-	1,213.88	-	771.96
	-	1,213.88	-	771.96

F. Defined benefit obligations

i. Actuarial assumptions

The key actuarial assumptions adopted for the purposes of this valuation are given below:-

	As at 31 st March, 2021	As at 31 st March, 2020
Discount rate (p.a.)	6.20%	6.40%
Salary escalation rate (p.a.)	7.00%	0.00% until year 1 inclusive, then 7.00%

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

ii. Sensitivity analysis

Gratuity is a lump sum plan and the cost of providing these benefits is typically less sensitive to small changes in demographic assumptions. The key actuarial assumptions to which the benefit obligation results are particularly sensitive to are discount rate and future salary escalation rate. The following table summarizes the change in defined benefit obligation compared with the reported defined benefit obligation at the end of the reporting period arising on account of an increase or decrease in the reported assumption by 50 basis points.

Particulars	As at 31 st March, 2021		As at 31 st March, 2020	
	Increase	Decrease	Increase	Decrease
Discount rate (50 bps movement)	(40.10)	42.68	(34.80)	37.09
Salary escalation rate (50 bps movement)	32.17	(31.18)	28.34	(27.35)

These sensitivities have been calculated to show the movement in defined benefit obligation in isolation and assuming there are no other changes in market conditions at the accounting date. There have been no changes from the previous periods in the methods and assumptions used in preparing the sensitivity analyses.

G. Risk Exposure

The defined benefit plans expose the company to risk which are discussed below:

Asset Volatility - The plan liabilities are calculated using a discount rate set with reference to bond yields; if plan assets underperform this yield, this will create a deficit. Most of the plan asset investments is in fixed income securities with high grades and in government securities. These are subject to interest rate risk and the fund manages interest rate risk with derivatives to minimise risk to an acceptable level.

Changes in bond yields - A decrease in bond yields will increase plan liabilities, although this will be partially offset by an increase in the value of the plans' bond holdings.

H. Funding arrangements and policy

The money contributed by the Company to the fund to finance the liabilities of the plan has to be invested. The trustees of the plan have outsourced the investment management of the fund to an insurance company. The insurance company in turn manages these funds as per the mandate provided to them by the trustees and the asset allocation which is within the permissible limits prescribed in the insurance regulations. Due to the restrictions in the type of investments that can be held by the fund, it is not possible to explicitly follow an asset-liability matching strategy to manage risk actively.

There is no compulsion on the part of the Company to fully pre fund the liability of the Plan. The Company's philosophy is to fund the benefits based on its own liquidity and tax position as well as level of under funding of the plan.

The expected contribution payable to the plan next year is INR 150 lakhs.

Projected Plan cash flow:

The table below shows the expected cash flow profile of the benefits to be paid to the current membership of the plan based on past service of the employees as at the valuation date.

Maturity profile	As at 31 st March, 2021	As at 31 st March, 2020
Expected benefits for year 1	189.87	149.90
Expected benefits for year 2	132.76	119.31
Expected benefits for year 3	115.66	103.27
Expected benefits for year 4	132.09	91.58
Expected benefits for year 5 and above	1,414.08	1,277.44

The weighted average duration to the payment of these cash flows is 7.23 years (31st March, 2020: 7.16 years).

I. Accumulated Compensated Absences

The Company provides for accumulated compensated absences as at the Balance Sheet date on the basis of an actuarial valuation. The Company recognized ₹ 54.09 lakhs (Previous year : ₹ 112.63 lakhs) for Compensated Absences in the Statement of Profit and Loss.

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

J. Long Service Award

The Company provides for long service awards as at the Balance Sheet date on the basis of an actuarial valuation using the projected unit credit method conducted by actuary of Life Insurance of its fellow subsidiary.

NOTE 42 SHARE-BASED PAYMENT ARRANGEMENTS:

A. Description of share-based payment arrangements

i. Share option plans (equity-settled)

At the General Meetings of the holding company, Kotak Mahindra Bank Limited, ("the Bank"), the shareholders of the Bank had unanimously passed Special Resolutions on 5th July, 2007, 21st August, 2007 and 29th June, 2015, to grant options to the eligible employees of the Bank and its subsidiaries and associate companies. Pursuant to these resolutions, the following Employees Stock Option Schemes had been formulated and adopted:

- (a) Kotak Mahindra Equity Option Scheme 2007; and
- (b) Kotak Mahindra Equity Option Scheme 2015

Further, pursuant to the Scheme of Amalgamation of ING Vysya Bank (IVBL) with the Bank, the Bank has renamed and adopted the ESOP Schemes of the erstwhile IVBL, as given below:

- (a) Kotak Mahindra Bank Ltd. (IVBL) Employees Stock Option Scheme 2007
- (b) Kotak Mahindra Bank Ltd. (IVBL) Employee Stock Option Scheme 2010; and
- (c) Kotak Mahindra Bank Ltd. (IVBL) Employees Stock Option Scheme 2013

The fair value of the option is determined using a Black-Scholes options pricing model. During the year, ₹ 37.95 lakhs (31st March, 2020: ₹ 78.32 lakhs) was charged to the Company's statement of profit or loss in respect of equity-settled share-based payments transactions with a corresponding increase being made to the capital contribution to the Company by the Parent.

Consequent to the above, the Bank has granted stock options to employees of the Company.

As at 31st March, 2021

Scheme Reference	Grant Date	Method of Settlement Accounting	No of Share Options outstanding	Vesting conditions / Dates	Contractual life of the options (Yrs)
ESOP 2015-07	15-May-17	Equity settled	2,030	30% - 1 yr service 30% - 2 yr service 20% - 3 yr service 20% - 4 yr service	3.88
ESOP 2015-14	18-May-18	Equity settled	9,983	30% - 1 yr service 30% - 2 yr service 20% - 3 yr service 20% - 4 yr service	3.87
ESOP 2015-19	20-May-19	Equity settled	6,083	30% - 1 yr service 30% - 2 yr service 20% - 3 yr service 20% - 4 yr service	3.87
ESOP 2015-25	07-Aug-20	Equity settled	2,960	30% - 1 yr service 30% - 2 yr service 20% - 3 yr service 20% - 4 yr service	3.65

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

NOTE 42 SHARE-BASED PAYMENT ARRANGEMENTS:

As at 31st March, 2020

Scheme Reference	Grant Date	Method of Settlement Accounting	No of Share Options outstanding	Vesting conditions / Dates	Contractual life of the options (Yrs)
ESOP 2015-05	10-Aug-16	Equity settled	24,000	50% - 3 yr service 50% - 4 yr service	4.21
ESOP 2015-07	15-May-17	Equity settled	8,269	30% - 1 yr service 30% - 2 yr service 20% - 3 yr service 20% - 4 yr service	3.88
ESOP 2015-14	18-May-18	Equity settled	13,664	30% - 1 yr service 30% - 2 yr service 20% - 3 yr service 20% - 4 yr service	3.87
ESOP 2015-19	20-May-19	Equity settled	8,690	30% - 1 yr service 30% - 2 yr service 20% - 3 yr service 20% - 4 yr service	3.87

B. Measurement of fair values

i. Equity-settled share-based payment arrangements

The fair value of the employee share options has been measured using the Black-Scholes formula. Service and non-market performance conditions attached to the arrangements were not taken into account in measuring fair value.

As at 31st March, 2021

Scheme	Grant Date	Vesting period	Exercise period	Expected life (Years)	Exercise Price (₹)	Market price (₹)	Risk free rate	Annual Dividend yield	Volatility	Fair value per share options (₹)

The following table lists the average inputs to the models used for the plans for the year ended 31st March, 2021.

Particulars	Description of the inputs used
Expected volatility (weighted-average)	Expected volatility of the option is based on historical volatility, during a period equivalent to the option life, of the observed market prices of Kotak Mahindra Bank Limited's publicly traded equity shares
Expected dividends	Dividend yield of the options is based on recent dividend activity.
Risk-free interest rate (based on government bonds)	Risk-free interest rates are based on the government securities yield in effect at the time of the grant

Debt securities	1,123,754.73	1,138,925.58	1,257,280.79	1,272,494.90
Borrowings (Other than Debt Securities)	620,309.31	620,420.06	875,033.69	874,784.65
Subordinated Liabilities	47,957.61	49,704.48	50,659.06	53,018.07
Other Financial liabilities				
Total financial liabilities	1,792,021.65	1,809,050.12	2,182,973.54	2,200,297.62

The carrying amounts of Cash and cash equivalents, Bank Balance other than cash and cash equivalent, trade receivables, CBLO lending, Inter-corporate deposits, certificate of deposits, loan to employees, other deposits, other financial assets, trade payables, deposits and other financial liabilities are considered to be the same as their fair values, due to their short-term nature.

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

C. Measurement of fair values

The fair value of financial instruments have been classified into three categories depending on the inputs used in the valuation technique. The hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and lowest priority to unobservable inputs (Level 3 measurements). The categories used are as follows:

The categories used are as follows:

Level 1 : Level 1 hierarchy includes financial instruments measured using unadjusted quoted prices in active markets that the Company has the ability to access for the identical assets or liabilities. A financial instrument is classified as a Level 1 measurement if it is listed on an exchange. This includes traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued at the closing NAV.

Level 2 : The fair value of financial instruments that are not traded in active markets is determined using valuation techniques which maximize the use of observable market data either directly or indirectly, such as quoted prices for similar assets and liabilities in active markets, for substantially the full term of the financial instrument but do not qualify as Level 1 inputs. If all significant inputs required to fair value an instrument are observable the instrument is included in level 2.

Level 3 : If one or more of the significant inputs is not based in observable market data, the instruments is included in level 3. That is, Level 3 inputs incorporate market participants' assumptions about risk and the risk premium required by market participants in order to bear that risk. The Company develops Level 3 inputs based on the best information available in the circumstances.

The following tables show the valuation techniques used in measuring Level 2 and Level 3 fair values, as well as the significant unobservable inputs used.

Financial instruments measured at fair value

Instrument type	Valuation technique	Significant unobservable inputs	Inter-relationship between significant unobservable inputs and fair value measurement
Investment in equity instruments (Classified as level 2)	<p>Comparable Companies Multiple Method: Under this method the value of shares/business of a company is determined based on market multiples of publicly traded comparable companies.</p> <p>Comparable Transaction multiple method: Under this method the value of shares/business of a company is determined based on market multiples of publicly disclosed transactions in the similar segment as that of the company being valued.</p> <p>Cost Approach : Break Up Value method has been adopted for valuation of equity shares. One or combination of the above has been used for valuation of equity instruments.</p>	Not applicable	Not applicable
Investment in preference shares (Classified as level 3)	The fair values have been calculated using the discounted cash flow approach discounted at a rate that reflects the credit risk of the counterparty.	Interest rates to discount future projected cash flows	Significant increase/decrease in the discount factor would entail corresponding change in the valuation of preference shares.
Investment in debentures (Classified as level 2)	The fair values of unlisted Debt Securities have been calculated using the discounted cash flow approach.	Not applicable	Not applicable
Derivative financial instrument (Classified as level 2)	The fair values have been calculated based on discounted cash flow model. The discount rates are based on tenure specific OIS (Overnight Index Swap) rate as published by Financial Benchmarks India Private Limited (FIBIL)	Not applicable	Not applicable

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

Financial instruments not measured at fair value

Type of financial instrument	Valuation technique
Loans	The fair values of loans that do not reprice or mature frequently are estimated using discounted cash flow models using actual or estimated yields and consequently for the purposes of level disclosures categorized under Level 3. Fair value of Level 3 loans would decrease/(increase) in value depending on increase/(decrease) in discount rate. For impaired loan, the amortised cost is taken as fair value.
Lending through Pass Through Certificates (PTC)	The fair values have been calculated using the discounted cash flow approach discounted at a rate that reflects the credit risk of various counter parties.
Debt securities, Borrowings other than debt securities and Subordinated liabilities	The fair values of the Company's Debt securities, Borrowings other than debt securities and Subordinated liabilities are calculated based on a discounted cash flow model. The discount rates are based on risk-free rate plus yield curves appropriate for the remaining maturities of the instruments as published by Financial Benchmarks India Private Limited (FIBIL)
Security Deposits	The fair values have been calculated using the discounted cash flow approach discounted at a rate from observable inputs i.e. Kotak Mahindra Bank Limited MCLR.

Transfers between Level 1 and Level 2

There were no significant changes in the classification and no significant movements between the fair value hierarchy classifications of assets and liabilities during FY 2020-21.

D. Level 3 fair values measurement

The following table shows a reconciliation from the beginning balances to the ending balances for fair value measurements in Level 3 of the fair value hierarchy.

Particulars	As at April 1, 2020	Purchases	Sales/ Settlements	Gain/(Loss) recognised in profit or loss	Gains recognised in OCI	Transfers in/(out)	As at 31 st March, 2021
Investments in Equity Instruments	-	-	-	-	-	-	-
Investments in Preference shares	11,104.34	-	-	1,095.80	-	-	12,200.13
	11,104.34	-	-	1,095.80	-	-	12,200.13

Particulars	As at April 1, 2019	Purchases	Sales/ Settlements	Gain/(Loss) recognised in profit or loss	Gains recognised in OCI	Transfers in/(out)	As at 31 st March, 2020
Investments in Equity Instruments	7,859.87	-	(183.88)	-	2,767.17	(10,443.16)	-
Investments in Preference shares	11,488.23	-	-	(383.89)	-	-	11,104.34
	19,348.10	-	(183.88)	(383.89)	2,767.17	(10,443.16)	11,104.34

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

Sensitivity analysis of Level 3 financial instruments measured at fair value

Although the Company believes that its estimates of fair value are appropriate, the use of different methodologies or assumptions could lead to different measurements of fair value. For fair value measurements in Level 3, changing one or more of the assumptions used to reasonably possible alternative assumptions would have the following effects:-

Particulars	31 st March, 2021		31 st March, 2020	
	Profit or loss/OCI		Profit or loss/OCI	
	Increase	Decrease	Increase	Decrease
Investment in preference shares - FVTPL				
If the discount rate lower / (higher) by 100 bps, the fair value would increase / (decrease)	78.59	(77.34)	174.12	(169.85)

E. Financial risk management

The Company's activities expose it to a variety of risks namely:

- Credit risk ;
- Liquidity risk ; and
- Market risk

i. Risk management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The board of directors has established the Risk Management Committee.

The Risk Management committee of Board exercises supervisory power in connection with the risk management of the Company, developing and monitoring risk management policies, monitoring of the exposures, reviewing adequacy of risk management process, ensuring compliance with the statutory/regulatory framework of the risk management process.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

The note below explains the sources of risk which the entity is exposed to and how the entity manages the risk in its financial statements:-

Risk	Exposure arising from	Measurement	Management
Credit Risk	Loans, Investments, Trade receivables, Bank balances and other financial assets	Aging analysis, Credit Rating	<p>The Company has setup policies for credit risk management and mitigation.</p> <p>The company has laid out process for credit evaluation for all its customers. For retail business, customer profiles are reviewed/assessed based on financial strength, leverage etc. For other than retail business, the lending proposals are subjected to through assessment of promoters, group financial strength and leverage, operational and financial performance track record, cash flows, valuation of collateral.</p> <p>The exposures are subjected to regular monitoring through various parameters i.e. days past due, cash flows, inventory audit, collateral cover, value of underlying capital market securities.</p> <p>The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual customers and customer group and by monitoring exposures in relation to such limits.</p>
Liquidity Risk	Debt securities, Borrowings other than debt securities, Subordinated liabilities, Trade payables and other financial liabilities	Cash flow forecasts	<p>Asset Liability Management Committee (ALCO) of the Company defines its liquidity risk management strategy and sets the overall policy and risk tolerances.</p> <p>In order to manage/mitigate liquidity risk, in addition to regulatory limits on liquidity gaps, the Company has also defined prudential internal limit for Liquidity Gap tolerance for its various time buckets, which is approved by the ALCO.</p> <p>Treasury team is responsible for managing liquidity under the prescribed liquidity risk management framework and the same is monitored by ALCO.</p> <p>The Company ensures that there is sufficient liquidity headroom available, including liquid assets, at all times to manage any contingency.</p>
Market risk			
a. Foreign currency risk	Financial liabilities not denominated in INR	Cash flow forecasts, Sensitivity Analysis	Cross currency swaps
b. Interest rate risk	Financial assets and liabilities at variable rates	Sensitivity Analysis, Interest rate movements	<p>Board of Directors (the Board) of the Company is the guiding body for management of its interest rate risk and sets the overall policy and risk limits.</p> <p>In order to manage/mitigate interest rate risk, the Company has defined Interest Rate Sensitive Gap tolerance limits for each time bucket which is approved by the Board. Treasury is entrusted with the responsibility of managing interest rate risk within the prescribed overall risk limits and the same is monitored by ALCO.</p> <p>Further, the Company undertakes NII analysis to assess the impact of changes in interest rate on the earnings of the Company.</p>

ii. Credit risk

Credit risk is the risk of actual or probable financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans and advances now or in future.

The sanction and renewal of any credit facility to a particular borrower requires appropriate credit approval by concerned authority. The appropriate authority has been entrusted with the task of verifying the credentials of the customer as per set processes and guidelines. The Company manages and controls credit risk by setting limits on the amount of risk it is willing to accept for individual counterparties and for Group of Counterparties and by monitoring exposures in relation to such limits. Credit worthiness of borrowers is regularly reviewed and monitored by line credit risk managers, who are responsible for maintaining the portfolio quality as per given risk – return targets. Further the Company has established a credit quality review process to provide early identification of possible changes in the creditworthiness of counterparties, including regular collateral revisions. The credit quality review process aims to allow the Company to assess the potential loss as a result of the risks to which it is exposed and take corrective actions.

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

The gross carrying amounts of following financial assets represent the maximum credit risk exposure:-

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Cash and cash equivalents	6,029.98	41,364.09
Bank balance other than cash and cash equivalents	21.51	65,234.85
Trade receivables	6.52	6.56
Loans		
- Loans*	2,093,668.92	2,399,178.19
- CBLO lending	73,483.52	174,874.64
- Inter corporate deposits	4,000.37	15,116.01
- Loan to employees	57.97	74.82
- Lending through Pass Through Certificates (PTC)	1,494.06	4,049.01
Investments	341,941.98	101,080.10
Other financial assets	3,808.37	4,343.66
	2,524,513.20	2,805,321.93

*Loans do not include undrawn loan commitments (Credit conversion factor) on which impairment loss allowance has been provided for. For details refer Note 43 E(ii)(a)(iii).

* Includes Government Securities

- (iii) The table below shows the credit quality and the exposure to credit risk for loan commitments (Credit conversion factor) :

Particulars	As at 31 st March, 2021				As at 31 st March, 2020			
	12-month ECL	Lifetime ECL not credit-impaired	Lifetime ECL credit-impaired	Total	12-month ECL	Lifetime ECL not credit-impaired	Lifetime ECL credit-impaired	Total
Loans								
Vehicle finance	43,278.54	1,890.70	-	45,169.23	45,175.46	1,100.64	-	46,276.10
Structured loans	10,295.21	40.00	-	10,335.21	12,956.83	-	-	12,956.83
	53,573.75	1,930.70	-	55,504.44	58,132.29	1,100.64	-	59,232.93

b. Collaterals held and concentrations of credit risk

Collaterals held

The amount and type of collateral required depends on an assessment of the credit risk of the customer. Guidelines are in place covering the acceptability and valuation of each type of collateral.

The main types of collateral obtained are, as follows:

- For retail lending, hypothecation over vehicles
- For automobile dealership lending, charge over real estate properties, inventory and trade receivables
- For structured lending, charge over real estate properties, pledge of securities.

Management monitors the market value of collateral and will request additional collateral in accordance with the underlying agreement. In its normal course of business, the Company follows generally acceptable processes (in accordance with law) to get possession of the collateral through the agent appointed. The assets so repossessed are sold on behalf of the customers so as to settle the receivables. Any surplus funds are returned to the customers/obligors. As a result of this practice, the collaterals are not recorded on the Balance Sheet and not treated as non-current assets held for sale.

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

Quantitative information of Collateral - Credit impaired assets

Loan To Value (LTV) range	Gross value of loan in stage	
	As at 31 st March, 2021	As at 31 st March, 2020
Less than 50% coverage	20,869.43	11,884.45
51 to 70% coverage	22,151.42	10,323.93
71 to 90% coverage	24,027.72	10,643.53
91 to 100% coverage	7,315.63	2,724.42
More than 100% coverage	19,153.40	11,057.37

Financial assets received as collateral

Company has received Financial assets as collateral that it is permitted to sell in the absence of default.

At 31st March, 2021, the fair value of financial assets accepted as collateral against Loan that the Company is permitted to sell or repledge in the absence of default was ₹ 192,844.86 lakhs (31st March, 2020: ₹ 355,890.96 lakhs).

During the year ended on 31st March, 2021, the fair value of financial assets accepted as collateral that had been sold was Nil (Year ended on 31st March, 2020: Nil). The Company adjusts the sales Proceed from carrying amount of loan and is not obliged to return equivalent securities.

Concentration of credit risk

The company monitors concentration of credit risk by line of business in India. The following table shows the concentrations of loans as at year end:-

Particulars	As at 31 st March, 2021	As at 31 st March, 2020
Gross carrying amount	2,093,668.92	2,399,178.19
Concentration by sector		
Corporate	453,458.92	611,397.08
Dealer finance	180,554.35	222,343.18
Retail		
- Vehicle finance	1,374,209.86	1,435,663.82
- Unsecured lending	85,445.78	129,774.11
	2,093,668.92	2,399,178.19

c. Amounts arising from ECL

i. Inputs, assumptions and techniques used for estimating impairment

Inputs considered in the ECL model:

The objective of the impairment requirements is to recognise lifetime expected credit losses for all assets for which there have been significant increase in credit risk since initial recognition - whether assessed on an individual or collective basis - considering all reasonable and supportable information, including that which is forward-looking. At each reporting date, it will be assessed whether there has been a significant increase in credit risk (SICR) for assets since initial recognition by comparing the risk of default occurring over the expected life between the reporting date and the date of initial recognition.

Assessment of significant increase in credit risk (SICR):

The credit risk on a financial asset of the Company are assumed to have increased significantly since initial recognition when contractual payments are more than 30 days past due. Accordingly the financial assets shall be classified as Stage 2, if on the reporting date, it has been past due for more than 30 days. In determining whether credit risk has increased significantly since initial recognition, Company uses days past due information, Early Warning Signals (EWS) in terms of unusual events including incidents and frauds, repossession of an asset, etc. and forecast information to assess deterioration in credit quality of a financial asset.

Assumption considered in the ECL model:

- "Probability of default" (PD) is defined as the probability of whether the borrowers will default on their obligations in the future. For assets which are in Stage 1, a 12 month PD is required. For Stage 2 assets a lifetime PD is required while Stage 3 assets are considered to have a 100% PD.
- "Loss given default" (LGD) is an estimate of loss from a transaction, given that a default occurs.
- "Exposure at default" (EAD) represents the expected exposure in the event of a default."

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

Forward looking information:

The Company incorporates forward looking information into both assessment of whether the credit risk of an instrument has increased significantly since its initial recognition and its measurement of ECL. Based on the consideration of a variety of external actual and forecast information, the Company forms a 'base case' view of the future direction of relevant economic variables such as real GDP, Real/Nominal Wages, Domestic Credit, real personal disposable income, etc. This process involves developing two or more additional economic scenarios and considering the relative probabilities of each outcome. The base case represents a most likely outcome while the other scenarios represent more optimistic and more pessimistic outcomes.

Definition of default

The Company combines the exposures into smaller homogeneous portfolios, based on a combination of internal and external characteristics of the loans. The Company categorises loan assets into stages based on the days past due status.

- Stage 1: 0-30 days past due
- Stage 2: 31- 89 days past due & EWS accounts
- Stage 3: 90 days & above past due

The three stages reflect the general pattern of credit deterioration of a financial instrument.

Further, Company considers following factors to determine staging for corporate loans

For downgrade from Stage 1 to Stage 2:

- 2 notch downgrade in Internal rating (wherever available) since initial recognition of loan
- 2 notch downgrade in external rating (wherever available) since initial recognition of loan
- Wherever management thinks there is significant increase in credit risk based on the internal assessment.

Policy for write-off of Financial assets

Financial assets are written off either partially or in their entirety when there is no realistic prospect of recovery. This is generally the case when the Company determines that the borrower does not have assets or sources of income that could generate sufficient cash flows to repay the amounts.

ii. An analysis of changes in gross carrying amount as follows:

Particulars	12-month ECL	Lifetime ECL not credit-impaired	Lifetime ECL credit-impaired	Total
Loans				
Balance as at 1st April, 2019	2,725,676.05	84,695.08	34,982.25	2,845,353.38
Transfer to/from 12 month ECL	(111,213.74)	91,118.97	20,094.77	-
Transfer to/from Lifetime ECL not credit impaired	11,773.24	(25,352.77)	13,579.53	-
Transfer to/from Lifetime ECL credit impaired	1,134.05	1,042.27	(2,176.32)	-

(d.) The following table presents the financial assets which has financial assets as collaterals on which the Company has a right to sell/offset in absence of default. However the financial assets have not been offsetted with the amount of respective collaterals in the Balance Sheet and captured in the below table for the purpose of disclosure.

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

The column 'maximum exposure' shows the impact on the Company's Balance Sheet if all set-off rights are exercised.

Particulars	Effect of offsetting on the Balance Sheet				Maximum exposure
	Gross amounts	Gross amounts set off in the Balance Sheet	Net amounts presented in the Balance Sheet	Netting potential not recognised on the Balance Sheet - Financial collaterals obtained ¹	
31st March, 2021					
Loans					
Structured loans*	64,023.97	-	64,023.97	(64,023.97)	-
31st March, 2020					
Loans					
Structured loans*	164,882.82	-	164,882.82	(144,305.57)	20,577.25

*Structured loan does not include commercial real estate loans and other structured loans.

¹ Company obtains financial collateral from its borrowers towards, loans advanced as Loans against securities (LAS) and Margin funding portfolio. Fair value of the financial collateral obtained is more than the underlying loans exposure. Accordingly, amounts have been capped to the extent it does not exceed the net amount of financial assets presented on the Balance Sheet.

iii. Liquidity Risk

Liquidity risk is the risk that the Company is unable to meet its financial obligations when they fall due without adversely affecting its financial condition. Liquidity risk arises because of mismatches in the timing of the cash flows.

Asset Liability Management Committee (ALCO) of the Company defines its liquidity risk management strategy and sets the overall policy and risk tolerances. In order to manage/mitigate liquidity risk, in addition to regulatory limits on liquidity gaps, the Company has also defined prudential internal limit for Liquidity Gap tolerance for its various time buckets, which is approved by the ALCO. Treasury is responsible for managing liquidity under the prescribed liquidity risk management framework and the same is monitored by ALCO.

Liquidity risk management strategies and practices are reviewed to align with changes to the external environment, including regulatory changes, business conditions and market developments. Actual and anticipated cash flows generated are monitored to ensure compliance with limits.

Maturity Profile of Financial Liabilities

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

Particulars	Carrying amount	Total contractual cash flows	1 Day to 7 Days	8 Day to 14 Days	15 Day to 30/31 Days (One Month)	Over one Month to 2 Months	Over 2 Months upto 3 Months	Over 3 Months upto 6 Months	Over 6 Months upto 1 Year	Over 1 Year upto 3 Years	Over 3 Years upto 5 Years	Over 5 Years

iv. Market Risk

Market risk is the risk that earnings or the value of its holding of financial instruments will be adversely affected by changes in market variable such as interest rate, credit spreads, equity prices etc.

The Company is primarily exposed to market risk related to interest rate risk and changes in market variables affecting the market value of its investments in financial instruments. In order to manage/mitigate market risk in its investment portfolio, the Company has defined comprehensive limit-framework including value limit, category limit, holding period limit for its investments, which is approved by the Board.

Treasury is entrusted with the responsibility of managing market risk within the prescribed policy and the same is monitored by ALCO.

a. Foreign Currency risk

The Company is exposed to currency risk on account of its derivative financial instrument in foreign currency. The functional currency of the Company is Indian Rupee i.e. INR.

Exposure to currency risk (Exposure in different currencies converted to functional currency i.e. INR)

The currency profile of financial assets and financial liabilities as at 31st March, 2021 and 31st March, 2020 are as below:

Particulars	31 st March, 2021	31 st March, 2020
	USD	USD
Financial assets		
Cash and cash equivalents	-	-
Trade and other receivables	-	-
	-	-
Financial liabilities		
Term Loan	52,865.97	-
Derivatives financial instruments	1,993.99	-
	54,859.96	-
Year-end spot rate		
Particulars	31 st March, 2021	31 st March, 2020
	USD	73.11

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

Sensitivity analysis

A reasonably possible strengthening (weakening) of the Indian Rupee against the foreign currencies at 31st March would have affected the measurement of financial instruments denominated in foreign currencies and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

Effect in INR	Profit or loss		Equity, net of tax	
	Strengthening	Weakening	Strengthening	Weakening
31st March, 2021				
USD - 1% Movement	548.60	(548.60)	410.53	(410.53)
	548.60	(548.60)	410.53	(410.53)

Effect in INR	Profit or loss		Equity, net of tax	
	Strengthening	Weakening	Strengthening	Weakening
31st March, 2020				
USD - 1% Movement	-	-	-	-
	-	-	-	-

b. Interest Rate Risk

Interest rate risk consists primarily of risk inherent in ALM activities and relates to the potential adverse impact of changes in market interest rates on future net interest income (NII). Interest rate risk arises from mismatches in re-pricing of interest rate sensitive assets (RSA) and rate sensitive liabilities (RSL).

Board of Directors (the Board) of the Company is the guiding body for management of its interest rate risk and sets the overall policy and risk limits. In order to manage/mitigate interest rate risk, the Company has defined Interest Rate Sensitive Gap tolerance limits for each time bucket which is approved by the Board. Treasury is entrusted with the responsibility of managing interest rate risk within the prescribed overall risk limits and the same is monitored by ALCO.

Further, the Company undertakes NII analysis to assess the impact of changes in interest rate on the earnings of the Company.

Exposure to interest rate risk

The interest rate profile of the Company's interest bearing financial instruments is as follows.

	As at 31 st March, 2021	As at 31 st March, 2020
Fixed-rate instruments		
Financial assets	23,69,354.00	25,95,186.17
Financial liabilities	(1,828,179.07)	(2,176,704.91)
Variable-rate instruments		
Financial assets	309,122.57	378,233.91
Financial liabilities	(14,150.00)	(33,968.53)
Total Net	836,147.50	762,746.64

Notes

to the Financial Statements for the year ended 31st March, 2021

(All amounts in INR lakhs, unless otherwise stated)

Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) profit or loss by the amounts shown below. This analysis assumes that all other variables remain constant.

Particulars	As at 31 st March, 2021		As at 31 st March, 2020	
	100 bp increase	100 bp decrease	100 bp increase	100 bp decrease
Variable rate instruments	2,949.73	(2,949.73)	3,442.65	(3,442.65)
Cash Flow Sensitivity	2,949.73	(2,949.73)	3,442.65	(3,442.65)

The risk estimates provided assume a parallel shift of 100 basis points interest rate across all yield curves. This calculation also assumes that the change occurs at the Balance Sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

NOTE 44 CAPITAL MANAGEMENT

As per RBI, NBFCs are required to maintain a minimum capital to risk weighted assets ratio ("CRAR") consisting of Tier I and Tier II capital of 15% of its aggregate risk weighted assets. Further, the total of Tier II capital cannot exceed 100% of Tier I capital at any point of time. The capital management process of the Company ensures to maintain the minimum CRAR at all the times.

The primary objectives of the Company's capital management policy are to ensure that the Company complies with capital requirements required by regulator, maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities.

Sr. No.	Particulars	As at 31 st March, 2021**	As at 31 st March, 2020**
(A)	Tier 1 capital	628,911.93	583,089.81
	Tier 2 capital	27,454.74	35,532.30
	Total Capital funds	656,366.68	618,622.11
	Risk weighted assets	2,219,242.28	2,530,607.01
	Tier 1 Capital ratio	28.34%	23.04%
	Total Capital ratio	29.58%	24.45%

**The unrealised gains on Investments fair valued through Profit or Loss (FVTPL) and fair valued through Other Comprehensive Income (OCI) has not been considered as part of the regulatory capital. Similarly, carrying value of such investments (net of fair value gains) has been considered to compute net owned funds & risk weighted assets.

For dividend on Equity shares - Refer note 22(h)

NOTE 46 SEGMENT REPORTING

An operating segment is a component of the Company that engages in business activities from which it may earn revenue and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available.

All operating segments' results are regularly reviewed by the Chief Executive Officer (CEO), which have been identified as the Chief Operating Decision Maker ('CODM') of the Company. The Chief Executive Officer, which have been identified as the CODM, regularly review the performance reports and make decisions about allocation of resources.

The Company has three reportable segments, as described below, which are the Company's strategic business units. For each business units the Chief Executive Officer regularly reviews the performance reports.

Reportable segments

- Vehicle Financing - Retail Vehicle finance, Wholesale dealer finance and consumer durable finance
- Other Lending activities - financing against securities, securitisation, debenture investment / lending in commercial real estate and other loans / fee based services
- Treasury and Investment activities - proprietary trading in shares and strategic investments

*In accordance with the liquidity risk management framework, the company has maintained more than 50% of liquidity coverage ratio with effect from December 1, 2020.

49.30.02. Qualitative disclosure around LCR

Reserve Bank of India (RBI) has introduced the Liquidity Coverage Ratio (LCR) requirement for all deposit-taking NBFCs and non-deposit taking NBFCs with an asset size of ₹ 5,000 crore and above w.e.f. 1st December, 2020. LCR seeks to ensure that the Company has an adequate stock of unencumbered High Quality Liquid Assets (HQLA) lasting for 30 calendar days to meet its liquidity needs under a significantly severe liquidity stress scenario.

The Board is responsible for the overall management of liquidity risk. The Board has constituted Asset Liability Management Committee (ALCO) and Risk Management Committee (RMC) for on-going overall risk management including liquidity risk management. Treasury is vested with the responsibility of managing liquidity risk within the risk tolerance of the Company.

The Board has approved and adopted Liquidity Risk Management Framework whereby it has prescribed tolerance limits for granular maturity buckets for structural liquidity gaps and for stock ratios and has also prescribed Liquidity Stress testing scenarios to assess the Company's vulnerability to stressed business / market conditions. The Board has advised metrics for various liquidity risk monitoring parameters including concentration of funding, early warning market related indicators, etc for due noting by ALCO.

Notes

to the Financial Statements for the year ended 31st March, 2021

The Board has approved the policy on LCR as per the extant RBI guideline for strict adherence by the Company. LCR is aimed at measuring and promoting short-term resilience of the Company to potential liquidity disruptions by ensuring maintenance of sufficient HQLAs to survive an acute stress scenario lasting for 30 calendar days.

The LCR requirement has been introduced in a phased manner with the Company required to maintain minimum LCR of 50% from 1st December, 2020 eventually increasing to 100% by 1st December, 2024. The requirement as on 31st March, 2021 is 50% for the Company.

With effect from 1st December, 2020, on a daily basis, as per the extant RBI guideline, the Company maintains a liquidity buffer, by ensuring it has sufficient HQLA that can be converted into cash easily and immediately to meet its liquidity needs under a 30 calendar days liquidity stress scenario.

The LCR ratio comprises of HQLAs as numerator and net cash outflows in 30 calendar days as denominator. In order to determine HQLA, the Company considers cash and bank balances, investment in government securities (incl. T-bills and state development loans) without any haircut. In order to determine net cash outflows in subsequent 30 calendar days, the Company considers total expected cash outflows minus total expected cash inflows. As prescribed by the extant RBI guideline, stressed cash flows is computed by assigning a predefined stress percentage to the overall cash inflows and cash outflows. Total expected cash outflows (stressed outflows) are calculated by multiplying the outstanding balances of various categories or types of liabilities and off-Balance Sheet commitments by 115%. Total expected cash inflows (stressed inflows) are calculated by multiplying the outstanding balances of various categories of contractual receivables by 75%. Net cash outflows over next 30 calendar days is computed as stressed outflows less minimum of (stressed inflows or 75% of stressed outflows).

For calculation of HQLA, the Company considers cash and bank balances, investment in government securities (incl. T-bills and state development loans) without any haircut. Such securities are valued at their market value. Cash outflows under unsecured and secured wholesale funding includes contractual debt repayment obligations in the next 30 calendar days. Outflows under other contractual funding obligations includes interest payable and sundry payable in the next 30 calendar days. Outflows under other contingent funding obligations includes unutilised uncommitted revocable facilities to borrowers. Cash inflows includes contractual inflows from performing exposures in next 30 calendar days. Other Cash inflows includes investments in mutual funds, treps, deposits, CPs etc which are maturing within 30 calendar days. Currently, the Company does not have an unhedged foreign currency exposure and resultant there is no currency mismatch in LCR.

Non Convertible Debenture	1,123,754.73	59.34%
Commercial Paper	435,294.77	22.99%
Bank loans	172,912.93	9.13%
Sub-ordinated Debt	47,957.61	2.53%

50.5 Stock Ratios:

(a) Commercial papers as a		
% of total public funds		24.29%
% of total liabilities:		22.99%
% of total assets:		16.07%
(b) Non-convertible debentures (original maturity of less than one year) as a % of total public funds, total liabilities and total assets: Nil		
(c) Other short-term liabilities		
% of total public funds		34.52%
% of total liabilities:		32.66%
% of total assets:		22.84%

50.6 Institutional set-up for liquidity risk management

The Board of Directors (the Board) of the Company has delegated the responsibility for ongoing Balance Sheet Liquidity Risk management to the Asset Liability Committee (ALCO).

In order to manage/mitigate liquidity risk, the Company has defined its liquidity risk management strategy and prudential internal limit for Liquidity Gap tolerance for its various time buckets in addition to regulatory limits on liquidity gaps, which is approved by the Board. Treasury is responsible for managing liquidity under the prescribed liquidity risk management framework and the same is monitored by ALCO / Board.

Liquidity risk management strategies and practices are reviewed to align with changes to the external environment, including regulatory changes, business conditions and market developments.

The Company has adopted liquidity risk management framework as required under RBI regulation.

50.7 Interest on interest calculation

In accordance with the RBI Circular No. RBI/2021-22/17 DOR.STR.REC.4/21.04.048/2021-22 dated 7th April, 2021 and the methodology for calculation of interest on interest based on guidance issued by Indian Banks' Association, the Company has put in place a Board approved policy to refund / adjust interest on interest charged to borrowers during the moratorium period, i.e. 1st March, 2020 to 31st August 31, 2020. Company has estimated the said amount and made a provision in the financial statements for the year ended 31st March, 2021. As on 31st March, 2021, Company holds a specific liability of ₹ 9 Cr which is debited to interest income to meet its obligation towards refund of interest on interest to eligible borrowers as prescribed by the RBI.
