In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Special Purpose Financial Statements give a true and fair view in all material respects in conformity with recognition and measurement principles of the Companies (Accounting Standards) Rules, 2006 (as amended) specified under Section 133 of the Act, as applicable to the Ultimate Holding Company, of the state of affairs of the Company as at 31st March, 2023, and its profit for the year ended on that date.

Basis for Opinion

We conducted our audit of the Special Purpose Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Special Purpose Financial Statements section of our report. We are independent of the Company in accordance with the "Code of Ethics" issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Special Purpose Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Special Purpose Financial Statements.

Key Audit Matters

We state that there are no key audit matters to communicate in our report.

Responsibilities of the Management and Those Charged with Governance for Special Purpose Financial Statements

The Company's Board of Directors is responsible with respect to the preparation of the Special Purpose Financial Statements in accordance with the recognition and measurement principles of Companies (Accounting Standards) Rules, 2006 (as amended) specified under Section 133 of the Act, as applicable to the Ultimate Holding Company.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Special Purpose Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Special Purpose Financial Statements, Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Special Purpose Financial Statements

Our responsibility is to express an opinion on these Special Purpose Financial Statements based on our verification.

As stated hereinabove we have relied upon the audit conducted by Ernst & Young, Public Accountants & Chartered Accountants, Singapore and based thereon we state that:

Our objectives are to obtain reasonable assurance about whether the Special Purpose Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Special Purpose Financial Statements.

As part of verification in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the verification. We also:

1. Identify and assess the risks of material misstatement of the Special Purpose Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. As per Ultimate Holding Company's (Kotak Mahindra Bank Limited) instructions, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the Special Purpose Financial Statements in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Special Purpose Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
5. Evaluate the overall presentation, structure and content of the Special Purpose Financial Statements, including the disclosures, and whether the Special Purpose Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

In view of the facts specified above, the requirements of reporting under section 143(3) of the Act, are not applicable.

Other Matters

2.2 Conversion to Indian Rupees

For the purpose of accounts, all income and expense items are converted at the average rate of exchange applicable for the period. All assets and liabilities (except Share Capital) are translated at the closing rate as on the Balance Sheet date. The Share Capital is carried forward at the rate of exchange prevailing on the transaction date. The resulting exchange difference on account of translation at the year end is transferred to Translation Reserve Account and the said account is being treated as "Reserves and Surplus".

2.3 Use of estimates

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) as of the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimates are revised and in any future periods affected.

2.4 Revenue Recognition

Revenue consists of investment management income, brokerage income, advisory fee income, and sundry income and is recognised as and when services are rendered. Revenue is measured at the fair value of consideration received or receivable.

2.7 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

2.8 Taxes

Current tax is expected tax payable on the taxable income for the year, using tax rates enacted or substantially enacted at the balance sheet date and any adjustments payable / refund received in respect of previous years.

Deferred Tax is recognized, subject to the consideration of prudence in respect of deferred tax assets, on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods.

Deferred tax assets arising mainly on account of carry forward of losses and unabsorbed depreciation under tax laws are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income against which such deferred tax assets can be realised. Deferred tax assets on account of other timing differences are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised.

2.9 Provisions and Contingencies

Provision is recognised when there is a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

A liability is recognised for the amount expected to be paid under short-term cash bonus if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably.

Defined contribution plans

A defined contribution plan is a post-employment benefit plan under which an entity pays fixed contributions into a separate entity and will have no legal or constructive obligation to pay further amounts. Contributions to defined contribution pension plans are recognised as an expense in profit or loss as incurred.

Share-based payment transactions (cash settled)

The cost of cash-settled scheme (stock appreciation rights) is measured initially using intrinsic value method at the grant date taking into account the terms and conditions upon which the instruments were granted. This intrinsic value is amortised on a straight-line basis over the vesting period with a recognition of corresponding liability. This liability is remeasured at each balance sheet date up to and including the settlement date with changes in intrinsic value recognised in the statement of profit and loss under 'Employee Benefit Expense'.

3.19 STOCK APPRECIATION RIGHTS (SARs)

At the General Meeting on 29th June, 2015 of the holding company, Kotak Mahindra Bank Limited, the shareholders of the Bank had passed Special Resolution to grant stock appreciation rights (SARs) to the eligible employees of the Bank, its subsidiaries and associate companies. Pursuant to this resolution, Kotak Mahindra Stock Appreciation Rights Scheme 2015 had been formulated and adopted. Subsequently, the SARs have been granted under this scheme. The contractual life (which is equivalent to the vesting period) of the SARs outstanding ranges from 3.43 to 4.11 years.

The cost of cash-settled transactions, stock appreciation rights (SARs), having grant date on or before 31st March, 2021 is measured initially using intrinsic value method at the grant date taking into account the terms and conditions upon which the instruments were granted. The Company has changed its accounting policy from intrinsic value method to fair value method for all share-linked instruments granted after 31st March, 2021. The fair value is estimated using Black-Scholes model.

The intrinsic / fair value is amortised on a straight-line basis over the vesting period with a recognition of corresponding liability. This liability is remeasured at each balance sheet date up to and including the vesting date with changes in intrinsic / fair value recognised in the profit and loss account in Employee Benefit Expense.

Detail of activity under SAR is summarized below:

Particulars	No. of SARs	
	For the year ended 31 st March, 2023	For the year ended 31 st March, 2022
Outstanding at the beginning of the year	92,176	140,506
Granted during the year	19,000	24,200

Exercised during the year	(56,038)	(72,530)

	(Amount in ₹)

Closing balance of liability for cash-settled options	23,356,999	36,048,313

Had the company recorded the compensation cost computed on the basis of fair valuation method instead of intrinsic value method, employee compensation cost would have been lower by ₹ 2,471,667 (Previous year - lower by ₹ 4,671,065) and the profit after tax would have been higher by ₹ 2,204,459 (Previous year - higher by ₹ 4,169,835).
